HOW TFS LEASING WORKS

At the Beginning of Your Lease

- Select your Toyota vehicle
- Choose a lease term from 24 to 60 months
- Determine your anticipated annual mileage
 - Drive up to 15,000 miles per year on a standard lease
 - Drive up to 10,000 miles per year on a low mileage lease
 - Purchase additional miles up front (standard lease only)

Lease payment is calculated on the vehicle model chosen, your qualifications, and other lease charges. Amount may be due upon lease signing.

At the End of Your Lease

- Select a lease end option
 - Lease a new Toyota
 - Buy your current vehicle
 - Turn in your vehicle

When you return your vehicle, charges may be due if your vehicle exceeds normal wear and use or mileage allowance. To help customers determine the condition of their vehicle BEFORE it must be returned, we provide a complimentary vehicle inspection service.⁸ A disposition fee may also be charged at lease end.
