(1) The net loss and repossession data reported in this table includes all retail installment sales contracts purchased by TMCC, excluding those purchased by a subsidiary of TMCC operating in Puerto Rico. Includes contracts that have been sold but are still being serviced by TMCC.

(2) Principal Balance Outstanding includes payoff amount for simple interest contracts and net principal amount for actuarial contracts. Actuarial contracts do not comprise any of the Receivables.

(3) Average of the principal balance or number of contracts outstanding as of the beginning and end of the indicated periods.

(4) Includes bankruptcy-related repossessions but excludes bankruptcies.

(5) Amount charged-off is the net remaining principal balance, including earned but not yet received finance charges, repossession expenses and unpaid extension fees, less any proceeds from the liquidation of the related vehicle. Also includes dealer reserve charge-offs.

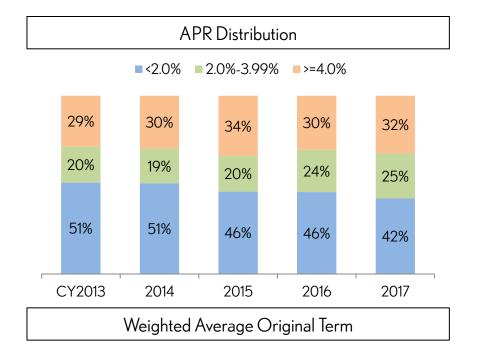

(6) Includes all recoveries from post-disposition monies received on previously charged-off contracts including any proceeds from the liquidation of the related vehicle after the related charge-off. Also includes recoveries for dealer reserve charge-offs and chargebacks.
