## **7. TERMS OF ISSUE**

- (1) The Agent shall cause all Temporary Global Notes, Permanent Global Notes and Definitive Bearer Notes delivered to and held by it under this Agreement to be maintained in safe custody and shall ensure that such Notes are issued only in accordance with the provisions of this Agreement and the relevant Global Note and Conditions.
- (2) Subject to the procedures set out in the Procedures Memorandum, for the purposes of Subclause 7(1) the Agent is entitled to treat a telephone or email communication from a person purporting to be (and who the Agent, after making reasonable investigation, believes in good faith to be) the authorised representative of the relevant Issuer named in the list referred to in, or

notified pursuant to, Subclause 19(7) as sufficient instructions and authority of the relevant Issuer for the Agent to act in accordance with Subclause 7(1).

- (3) In the event that a person who has signed on behalf of any Issuer a master Temporary Global Note, a master Permanent Global Note or Definitive Bearer Notes not yet issued but held by the Agent in accordance with Subclause 7(1) ceases to be authorised as described in Subclause 19(7), the Agent shall (unless the relevant Issuer gives notice to the Agent that Notes signed by that person do not constitute valid and binding obligations of the relevant Issuer or otherwise until replacements have been provided to the Agent) continue to have authority to issue any such Notes, and the relevant Issuer hereby warrants to the Agent that such Notes shall, unless notified as aforesaid, be valid and binding obligations of the relevant Issuer. Promptly upon such person ceasing to be authorised, the relevant Issuer shall provide the Agent with replacement master Temporary Global Notes, master Permanent Global Notes and (if applicable) Definitive Bearer Notes and the Agent shall cancel and destroy the master Temporary Global Notes, master Permanent Global Notes and (if applicable) Definitive Bearer Notes held by it which are signed by such person and shall provide to the relevant Issuer a confirmation of destruction in respect thereof specifying the Notes so cancelled and destroyed.
- (4) Unless otherwise agreed in writing between the relevant Issuer and the Agent, each Note credited to the Agent's distribution account with Euroclear and Clearstream, Luxembourg (or, in the case of Notes in CGN form, such other applicable clearing agency) following the delivery of a Temporary Global Note or Permanent Global Note, as the case may be, to a common depository or, as the case may be, a common safekeeper pursuant to Subclause 3(1)(c), 3(1)(d), 4(1)(c) or 4(1)(d), respectively, shall be held to the order of the relevant Issuer. The Agent shall procure that the nominal amount of Notes which the relevant Purchaser has agreed to purchase is delivered in accordance with the written instructions of the relevant Issuer.
- (5) Unless otherwise agreed in writing between the relevant Issuer and the Agent, if on the relevant Issue Date a Purchaser does not pay the full purchase price due from it in respect of any Note (the **Defaulted Note**) and, as a result, the Defaulted Note remains in the Agent's distribution account with Euroclear and/or Clearstream, Luxembourg (or, in the case of Notes in CGN form, such other applicable clearing agency) after such Issue Date, the Agent will continue to hold the Defaulted Note to the order of the relevant Issuer. The Agent shall notify the relevant Issuer forthwith of the failure of the Purchaser to pay the full purchase price due from it in respect of any Defaulted Note and, subsequently, shall notify the relevant Issuer forthwith upon receipt from the Purchaser of the full purchase price in respect of such Defaulted Note.
- (6) Unless otherwise agreed in writing between the relevant Issuer and the Agent, if the Agent pays an amount (the **Advance**) to the relevant Issuer on the basis that a payment (the **Payment**) will be received from a Purchaser and if the Payment is not received by the Agent on the date the Agent pays the relevant Issuer, the Agent shall notify the relevant Issuer by email that the Payment has not been received and the relevant Issuer shall repay to the Agent the Advance and shall pay interest on the Advance (or the

unreimbursed portion thereof) from (and including) the date such Advance is made to (but excluding) the earlier of repayment of the Advance and receipt by the Agent of the Payment (at a rate quoted at that time by the Agent as its cost of funding the Advance provided that evidence of the basis of such rate is given to the relevant Issuer).

- (7) Unless otherwise instructed by, or on behalf of, the relevant Issuer, in the event of an issue of Notes that are listed on a Stock Exchange, the Agent will promptly, and in any event prior to the Issue Date in respect of such issue, send the applicable Final Terms to the relevant Stock Exchange.
- (8) Execution in facsimile of any Notes and any photostatic copying or other duplication of the master Temporary Global Note or the master Permanent Global Note (in unauthenticated form, but executed manually on behalf of the relevant Issuer as stated above) shall be binding upon the relevant Issuer in the same manner as if such Notes were signed manually by such signatories.

## 8. PAYMENTS

- (1) The Agent shall advise the relevant Issuer, no later than ten Business Days (as defined in Subclause 8(2)) immediately preceding the date on which any payment is to be made to the Agent pursuant to this Subclause 8(1), of the payment amount, value date and payment instructions and the relevant Issuer shall on each date on which any payment in respect of any Bearer Notes becomes due, transfer to an account specified by the Agent not later than (unless otherwise agreed between the relevant Issuer and the Agent) the Payment Time such amount in the relevant currency as shall be sufficient for the purposes of such payment in funds settled through such payment system as the Agent and the relevant Issuer may agree. As used in this Subclause 8(1), the term **Payment Time** means (unless otherwise agreed between the relevant Issuer and the Agent) 2:00 p.m. local time in the principal financial centre of the country of the currency in which the payment falls is to be made (which in the case of payment of euro is London). Unless otherwise provided in the applicable Final Terms, the principal financial centre of any country for the purposes of this Subclause 8(1) shall be as provided in the ISDA Definitions on the Issue Date of such Series of Bearer Notes (except if the Specified Currency is Australian dollars or New Zealand dollars the principal financial centre shall be Sydney or Auckland, respectively).
- (2) The relevant Issuer shall ensure that, no later than the third Business Day immediately preceding the date on which any payment is to be made to the Agent pursuant to Subclause 8(1), the Agent shall receive a confirmation from the relevant Issuer that such payment will be made. For the purposes of this Clause 8, **Business Day** has the meaning given to it in Condition 4(b).
- (3) The Agent shall ensure that payments of both principal and interest in respect of Temporary Global Notes will be made only to the extent that certificates of non-U.S. beneficial ownership as required by U.S. Treasury regulations have been received from Euroclear and/or Clearstream, Luxembourg in accordance with the terms thereof (and the Agent shall retain each such certification on behalf of the relevant Issuer for four calendar years following the year in which the certification is received); provided, however, that no such certification will be required with respect to Notes that, as specified in the applicable Final Terms (i) have been issued in reliance on United States

Treasury regulation Section 1.163-5(c)(2)(i)(C) or (ii) have an initial maturity of 183 days or less (taking into consideration unilateral rights to roll or extend), a minimum denomination of \$500,000 (or the equivalent value in any other currency, determined at the spot rate on the date of issue) and are intended to comply with United States Treasury Regulations Section 1.6049-5(b)(10).

- (4) The Agent shall pay interest on the Notes only outside the United States and its possessions, within the meaning of United States Treasury regulation Section 1.163-5(c)(2)(v). No interest on Notes issued by TMCC shall be paid into an account maintained by the payee in the United States or mailed to an address in the United States unless otherwise permitted in the Conditions.
- (5) Subject to the Agent being satisfied in its sole discretion that payment will be duly made as provided in Subclause 8(1), the Agent or the relevant Paying Agent shall pay or cause to be paid all amounts due in respect of the Bearer Notes on behalf of the relevant Issuer in the manner provided in the Conditions. If any payment provided for in Subclause 8(1) is made late but otherwise in accordance with the provisions of this Agreement, the Agent and each Paying Agent shall nevertheless make payments in respect of the Bearer Notes as aforesaid following receipt by it of such payment.
- (6) If for any reason the Agent considers in its sole discretion that the amounts to be received by the Agent pursuant to Subclause 8(1) will be, or the amounts actually received by it pursuant thereto are, insufficient to satisfy all claims in respect of all payments then falling due in respect of the Bearer Notes, the Agent shall then forthwith notify the relevant Issuer of such insufficiency and, until such time as the Agent has received the full amount of all such payments, neither the Agent nor any Paying Agent shall be obliged to pay any such claims.
- (7) Without prejudice to Subclauses 8(5) and 8(6), if the Agent pays any amounts to the holders of Bearer Notes or Coupons or to any Paying Agent at a time when it has not received payment in full in respect of the relevant Bearer Notes in accordance with Subclause 8(1) (the excess of the amounts so paid over the amounts so received being the **Shortfall**), the relevant Issuer shall, in addition to paying amounts due under Subclause 8(1), pay to the Agent on demand interest (at a rate which represents the Agent's actual overnight cost of funding the Shortfall as evidenced to the relevant Issuer by the provision of details of the calculation of the cost of funding) on the Shortfall (or the unreimbursed portion thereof) from (and including) the date such Shortfall is paid by the Agent to the holders of the Bearer Notes or Coupons or to any Paying Agent to (but excluding) the date of receipt in full by the Agent of the Shortfall. The Agent shall notify the relevant Issuer by email as soon as practicable, it being understood that the relevant Issuer shall have the right to make such payment subsequently with good value as of such Business Day.
- (8) The Agent shall on demand promptly reimburse each Paying Agent for payments in respect of Bearer Notes properly made by such Paying Agent in accordance with this Agreement and the Conditions unless the Agent has notified the Paying Agent, prior to the opening of business in the location of the office of the Paying Agent through which payment in respect of the Bearer Notes can be made on the due date of a payment in respect of the

Bearer Notes, that the Agent does not expect to receive sufficient funds to make payment of all amounts falling due in respect of such Bearer Notes.

- (9) Whilst any Bearer Notes are represented by Temporary Global Notes or Permanent Global Notes, all payments due in respect of such Notes shall be made to, or to the order of, the holder of the Global Notes, subject to and in accordance with the provisions of the Global Notes. On the occasion of any such payment, (i) in the case of a CGN, the Paying Agent to which the Global Note was presented for the purpose of making such payment shall cause the relevant Schedule to the Global Notes to be annotated so as to evidence the amounts and dates of such payments of principal and/or interest as applicable or (ii) in the case of any Global Note which is a New Global Note, the Agent shall instruct Euroclear and Clearstream, Luxembourg to make appropriate entries in their records to reflect such payment.
- (10) If the amount of principal and/or interest then due for payment is not paid in full (otherwise than by reason of (a) FATCA Withholding Tax or (b) any other deduction required by law to be made therefrom), (i) the Paying Agent to which a Temporary Global Note or Permanent Global Note is presented for the purpose of making such payment shall, unless the Note is a New Global Note, make a record of such shortfall on the relevant Schedule to the Global Note and such record shall, in the absence of manifest error, be prima facie evidence that the payment in question has not to that extent been made or (ii) in the case of any Global Note which is a New Global Note, the Agent shall instruct Euroclear and Clearstream, Luxembourg to make appropriate entries in their records to reflect such shortfall in payment.
- (11) Each Paying Agent shall be entitled to deduct any applicable FATCA Withholding Tax and shall have no obligation to gross-up any payment hereunder or to pay any additional amount as a result of such applicable FATCA Withholding Tax.
- (12) If the relevant Issuer reasonably determines that it will be required to withhold or deduct any FATCA Withholding Tax in connection with any payment due on any Notes, then the relevant Issuer will be entitled to re-direct or reorganise any such payment in any way that it sees fit in order that the payment may be made without FATCA Withholding Tax provided that any such re-direction or reorganisation of any payment is made through a recognised institution of international standing and such payment is otherwise made in accordance with this Agreement.

## 9. DETERMINATIONS AND NOTIFICATIONS IN RESPECT OF NOTES

- (1) The Agent shall make all such determinations and calculations (howsoever described) as it is required to do under the Conditions, all subject to and in accordance with the Conditions provided that certain calculations with respect to any Series of Notes may be made by an agent (the **Calculation Agent**) appointed by the relevant Issuer and acceptable to the Agent. The Agent may decline to act in the capacity described above in relation to a particular Series of Notes if (i) the Agent does not have the capacity to determine the rate of interest or redemption amount or any other calculation to be made in relation to such Series of Notes and (ii) such decision to decline is notified to the relevant Issuer by the Agent as soon as reasonably

practicable after receipt by the Agent of the terms of such Series of Notes and, in any event, prior to the issue of such Series of Notes.

- (2) The Agent shall not be responsible to any Issuer or to any third party (except in the event of negligence, wilful default or bad faith) as a result of the Agent having acted on any quotation given by any Reference Bank (as referred to in Condition 4(b)(iv)(E)) which subsequently may be found to be incorrect.
- (3) The Agent shall promptly notify (and confirm in writing to) the relevant Issuer, the other Paying Agents, (in the case of Registered Notes issued by TCCI) the TCCI Registrar and the TCCI Transfer Agent, (in the case of Registered Notes issued by TMCC) the TMCC Registrar and the TMCC Transfer Agent and (in respect of a Series of Notes listed on a Stock Exchange) the relevant Stock Exchange (or other relevant authority) of, *inter alia*, each Rate of Interest, Interest Amount and Interest Payment Date and all other amounts, rates and dates which it is obliged to determine or calculate under the Conditions as soon as practicable after the determination thereof (and in any event no later than the tenth Business Day (as defined in Clause 8) immediately preceding the date on which any payment is to be made to the Agent pursuant to Subclause 8(1)) and of any subsequent amendment thereto pursuant to the Conditions.
- (4) The Agent shall use its best endeavours to cause each Rate of Interest, Interest Amount and Interest Payment Date and all other amounts, rates and dates which it is obliged to determine or calculate under the Conditions (or which is provided to the Agent by any other Calculation Agent appointed by the relevant Issuer as provided in Subclause 9(1)) to be published as required in accordance with the Conditions as soon as possible after their determination or calculation.
- (5) If the Agent does not at any material time for any reason determine and/or calculate and/or publish the Rate of Interest, Interest Amount and/or Interest Payment Date in respect of any Interest Period or any other amount, rate or date as provided in this Clause 9, it shall forthwith notify the relevant Issuer, the other Paying Agents, (in the case of Registered Notes issued by TCCI) the TCCI Registrar and the TCCI Transfer Agent and (in the case of Registered Notes issued by TMCC) the TMCC Registrar and the TMCC Transfer Agent of such fact.
- (6) For purposes of monitoring the aggregate nominal amount of Notes (as “Notes” is defined in the Programme Agreement) issued and outstanding (as “outstanding” is defined in the Programme Agreement) under the Programme, the Agent shall determine the euro equivalent of the nominal amount of each issue of Notes (as “Notes” is defined in the Programme Agreement) denominated in a Specified Currency, other than euros as follows:
  - (a) the EUR equivalent of Notes denominated in a Specified Currency other than EUR shall be determined by the Agent as of 2:30 p.m. London time on the Issue Date for such Notes by reference to the spot rate displayed on a page on the relevant Reuters service or Dow Jones Markets Limited or such other service as is agreed between the Agent and the relevant Issuer from time to time;

- (b) the EUR equivalent of Notes that are linked to an index or formula (Index Linked Notes), or where payment obligations under such Notes are denominated in more than one currency (Dual Currency Notes), shall be determined in the manner specified above in paragraph (a) by reference to the original nominal amount of such Notes; and
- (c) the EUR equivalent of Zero Coupon Notes and other Notes issued at a discount shall be determined in the manner specified above in paragraph (a) by reference to the net proceeds received by the relevant Issuer for the particular issue.

The Agent shall promptly notify the relevant Issuer of each determination made as aforesaid.

- (7) Without prejudice to Subclause 9(6), determinations with regard to Notes linked to an index or formula or number of currencies shall otherwise be made by the Calculation Agent specified in the applicable Final Terms in the manner specified in the applicable Final Terms. Unless otherwise agreed between the relevant Issuer and the relevant Purchaser or Purchasers of such Notes, such determinations shall be made on the basis of a Calculation Agency Agreement substantially in the form of Appendix C hereto.

#### **10. NOTICE OF ANY WITHHOLDING OR DEDUCTION**

If any Issuer is, in respect of any payments, compelled to withhold or deduct any amount for or on account of taxes, duties, assessments or governmental charges as specifically contemplated under the Conditions, such Issuer shall give notice thereof to the Agent as soon as it becomes aware of the requirement to make such withholding or deduction and shall give to the Agent such information as it shall require to enable it to comply with such requirement.

#### **11. DUTIES OF THE AGENT IN CONNECTION WITH EARLY REDEMPTION**

- (1) If the relevant Issuer decides to redeem any Notes for the time being outstanding prior to their Maturity Date in accordance with the Conditions, the relevant Issuer shall give notice of such decision to the Agent not less than five days before the date of the notice required to be given to the holders of the Notes under the Conditions or such shorter period that is acceptable to the Agent.

- (3) The Agent shall publish the notice required in connection with any such redemption and shall at the same time also publish a separate list of serial numbers of any Notes previously drawn and not presented for redemption. Such notice shall specify the date fixed for redemption, the redemption amount, the manner in which redemption will be effected and, in the case of a partial redemption, the serial numbers of the Notes to be redeemed. Such notice will be published in accordance with the Conditions.

- (2) This Agreement, the Notes and any Coupons attached to the Notes may be amended by the Issuers or the relevant Issuer, as the case may be, and the Agent, without the consent of the holder of any Note or Coupon (a) for the purpose of curing any ambiguity, or of curing, correcting or supplementing any defective provision contained herein or therein, or to evidence the succession of another corporation to the relevant Issuer as provided in Condition 13 or provide for substitution of the relevant Issuer as provided in Condition 14, (b) to make any further modifications of the terms of this Agreement necessary or desirable to allow for the issuance of any additional Notes (which modifications shall not be materially adverse to holders of outstanding Notes), or (c) in any manner which the Issuers or the relevant Issuer, as the case may be, and the Agent may deem necessary or desirable and which shall not materially adversely affect the interests of the holders of the Notes and Coupons. In addition, with the written consent of holders of a majority in aggregate nominal amount of the Notes then outstanding affected thereby, or by resolution adopted by the holders of a majority in aggregate nominal amount of Notes then outstanding present or represented at a meeting of the holders of the Notes affected thereby at which a quorum is present (provided that such resolution shall be approved by the holders of not less than 25 per cent. of the aggregate nominal amount of Notes then

outstanding affected thereby), this Agreement or the terms and conditions of the Notes and Coupons may be modified or amended by the parties hereto or thereto, and future compliance and past defaults waived, in each case as provided in Conditions 9 and 15 and subject to the limitations therein provided (including that no such agreement shall, without the consent or the affirmative vote of the holder of each Note affected thereby, (i) change the stated maturity of the principal of or any interest on any Note, (ii) reduce the nominal amount of or interest on any Note, (iii) change the obligation of the Issuer to pay Additional Amounts as provided in Condition 7, (iv) reduce the percentage in nominal amount of outstanding Notes the consent of the holders of which is necessary to modify or amend this Agreement or the terms and conditions of the Notes or to waive any future compliance or past default, or (v) reduce the percentage in nominal amount of outstanding Notes the consent of the holders of which is required at any meeting of holders of Notes at which a resolution is adopted).

- (3) A meeting of holders of Notes may be called by the holders of at least 10 per cent. in nominal amount of the outstanding Notes of the relevant Series at any time and from time to time to make, give or take any request, demand, authorisation, direction, notice, consent, waiver or other action provided by this Agreement or the Notes to be made, given or taken by holders of Notes.
- (4) The Agent may at any time call a meeting of holders of Notes of any Series for any purpose specified in Subclause 28(2) to be held at such time and at such place in the City of New York or in London or to be held wholly or partly by means of electronic facility or facilities (including video conference platforms or by conference call), as the Agent and the relevant Issuer shall determine (including determining the means, or all different means, of attendance and participation used in relation to a meeting of holders of Notes of any Series). Notice of every meeting of holders of Notes, setting forth the time and the place of such meeting (which need not be a physical place), and if the meeting is to be held (wholly or partly) by means of electronic facility or facilities, including video conference platforms or conference calls (or partly in one way and partly in another), specifying the means, or all different means, of attendance and participation, and in general terms the action proposed to be taken at such meeting, shall be given by the Agent to the relevant Issuer and to the holders of the Notes, in the same manner as provided in Condition 16, not less than 21 nor more than 180 days prior to the date fixed for the meeting. In the case at any time the relevant Issuer or the holders of at least 10 per cent. in nominal amount of the outstanding Notes shall have requested the Agent to call a meeting of the holders to take any action authorised in Subclause 28(2), by written request setting forth in reasonable detail the action proposed to be taken at the meeting, and the Agent shall not have given notice of such meeting within 21 days after receipt of such request or shall not thereafter proceed to cause the meeting to be held as provided herein, then the relevant Issuer, or the holders of Notes in the amount above-specified, as the case may be, may determine the time and the place in the City of New York or London or the electronic facility or facilities for such meeting (or partly in one way and partly in another) and may call such meeting by giving notice thereof as provided in this Subclause 28(4).

- (5) To be entitled to vote at any meeting of holders of Notes, a person shall be a holder of outstanding Notes at the time of such meeting, or a person appointed by an instrument in writing as proxy for such holder. Holders of Notes present in person or by proxy by means of electronic facility or facilities (including video conference platforms or conference call) provided in Subclause 28(4) shall be counted in the quorum for, and entitled to participate in, the meeting of holders of Notes.
- (6) The quorum at any meeting called to adopt a resolution will be persons holding or representing a majority in aggregate nominal amount of the Notes then outstanding affected thereby. In the absence of a quorum, within 30 minutes of the time appointed for any such meeting, the meeting may be adjourned for a period of not less than 10 days as determined by the chairman of the meeting prior to the adjournment of such meeting. In the absence of a quorum at any such adjourned meeting, such adjourned meeting may be further adjourned for a period of not less than 10 days as determined by the chairman of the meeting prior to the adjournment of such adjourned meeting. Notice of the reconvening of any adjourned meeting shall be given as provided in Subclause 28(4) except that such notice need be given not less than five days prior to the date on which the meeting is scheduled to be reconvened. Notice of the reconvening of an adjourned meeting shall state expressly the percentage of the nominal amount of the outstanding Notes which shall constitute a quorum.

The quorum at any adjourned meeting will be one or more persons holding or representing 25 per cent. in aggregate nominal amount of such Notes then outstanding affected thereby. Any meeting of holders of Notes at which a quorum is present may be adjourned from time to time by vote of a majority in nominal amount of the outstanding Notes represented at the meeting, and the meeting may be held as so adjourned without further notice. At a meeting or an adjourned meeting duly reconvened and at which a quorum is present as aforesaid, any resolution and all matters shall be effectively passed and decided if passed or decided by the persons entitled to vote a majority in nominal amount of the outstanding Notes represented and voting at such meeting, provided that such amount approving such resolution shall be not less than 25 per cent. in nominal amount of the outstanding Notes.

- (7) Any modifications, amendments or waivers under this Clause 28 to this Agreement or to the terms and conditions of the Notes and Coupons will be conclusive and binding on all holders of Notes and Coupons, whether or not they have given such consent or were present at any meeting, and whether or not notation of such modifications, amendments or waivers is made upon the Notes and Coupons. It shall not be necessary for the consent of the holders of Notes under Condition 15 to approve the particular form of any proposed amendment, but it shall be sufficient if such consent shall approve the substance thereof.
- (8) Notes authenticated and delivered after the execution of any amendment under this Clause 28 to this Agreement, the Notes or Coupons may bear a notation in form approved by the Agent as to any matter provided for in such amendment to this Agreement. New Notes so modified as to conform, in the opinion of the Agent and the relevant Issuer, to any modification contained in any such amendment may be prepared by the relevant Issuer, authenticated

by the Agent and delivered in exchange for the Notes then outstanding affected thereby.

- (9) The Agent may make such reasonable regulations as it may deem advisable for any meeting of holders of Notes in regard to proof of the holding of Notes and of the appointment of proxies and in regard to the appointment and duties of inspectors of votes, the submission and examination of proxies, certificates and other evidence of the right to vote, and such other matters concerning the conduct of the meeting as it shall deem appropriate, including determining that adequate facilities are available throughout the meeting to ensure holders of Notes in person or by proxy attending the meeting by all means (including by means of electronic facility or facilities, including video conference platforms or by conference call) are able to participate in such meeting. Such regulations may, without prejudice to the generality of the foregoing, reflect the practices and facilities of any Relevant Clearing System. The Agent shall, by an instrument in writing, appoint a temporary chairman of the meeting, unless the meeting shall have been called by the relevant Issuer or holders of Notes as provided above, in which case the relevant Issuer or the holders of Notes calling the meeting, as the case may be, shall in like manner appoint a temporary chairman. A permanent chairman and a permanent secretary of the meeting shall be elected by vote of the persons entitled to vote a majority in nominal amount of the outstanding Notes represented at the meeting. The chairman of the meeting shall have no right to vote, except as a holder of Notes or proxy. A record, at least in triplicate, of the proceedings of each meeting of holders of Notes shall be prepared, and one such copy shall be delivered to the relevant Issuer and another to the Agent to be preserved by the Agent.

## **29. CALCULATION AGENCY AGREEMENT**

A form of calculation agency agreement is set out in Appendix C hereto. Where the Conditions require functions to be carried out by a Calculation Agent other than the Agent, the relevant Issuer may execute such an agreement or an agreement in such other form as such Issuer and the Calculation Agent may agree.

## **30. REPRESENTATIONS AND WARRANTIES**

As at the date of this Agreement each of the Issuers (only in relation to itself and any Notes issued or to be issued by it) hereby warrants to and agrees with the Agent that neither it, nor, to the knowledge of the relevant Issuer, any director, officer or employee of the relevant Issuer is currently the subject of any Sanctions applicable to such Issuer; and the relevant Issuer will not knowingly use the proceeds raised in connection with the issue of the Notes to fund any activities or business of any Designated Person subject to official sanctions imposed by the United States, the United Nations, the European Union or the United Kingdom except to the extent that such activity or business would not be prohibited for a U.S., European Union or United Kingdom person pursuant to Sanctions.

The representation and warranty given in this clause 30 shall not be made by, nor apply to, TCCI only in so far as it would result in a violation of or conflict with (i) the Foreign Extraterritorial Measures Act (Canada), together with all amendments, supplements and replacements thereto from time to time (**FEMA**) and (ii) the Foreign Extraterritorial Measures (United States) Order 1992 made under the authority of

FEMA, together with all amendments, supplements and replacements thereto from time to time and (iii) any other orders issued under FEMA.

It is acknowledged and agreed that the warranty and agreement given in this clause 30 is only sought and given to the extent that to do so would not violate (i) Regulation (EC) No 2271/96 (including as it forms part of UK domestic law by virtue of the EUWA); and/or (ii) any associated and applicable national law, instrument or regulation in the European Union or the United Kingdom related thereto.

### **31. DEED POLL**

(1) If any Global Bearer Note becomes void in accordance with its terms, the relevant Issuer covenants with each Relevant Account Holder (other than any Relevant Account Holder which is an account holder of any other Relevant Clearing System) that each Relevant Account Holder shall automatically acquire at the Relevant Time, without the need for any further action on behalf of any person, against the relevant Issuer all those rights which the Relevant Account Holder would have had if at the Relevant Time it held and beneficially owned executed and authenticated Definitive Bearer Notes in respect of each Underlying Note (as defined in the definition of “Global Bearer Note”) represented by the Global Bearer Note which the Relevant Account Holder has credited to its securities account with the Relevant Clearing System at the Relevant Time. The relevant Issuer’s obligation under this Clause 31 shall be a separate and independent obligation by reference to each Underlying Note which a Relevant Account Holder has credited to its securities account with the Relevant Clearing System and the relevant Issuer agrees that a Relevant Account Holder may assign its rights under this Clause 31 in whole or in part.

(2) The records of the Relevant Clearing System shall be conclusive evidence of the identity of the Relevant Account Holders and the number of Underlying Notes credited to the securities account of each Relevant Account Holder. For these purposes a statement issued by the Relevant Clearing System stating:

- (a) the name of the Relevant Account Holder to which the statement is issued; and
- (b) the aggregate nominal amount of Underlying Notes credited to the securities account of the Relevant Account Holder as at the opening of business on the first day following the Relevant Time on which the Relevant Clearing System is open for business,

shall be conclusive evidence of the records of the Relevant Clearing System at the Relevant Time.

(3) In the event of a dispute, the determination of the Relevant Time by the Relevant Clearing System shall (in the absence of manifest error) be final and conclusive for all purposes in connection with the Relevant Account Holders with securities accounts with the Relevant Clearing System.

(4) The relevant Issuer undertakes in favour of each Relevant Account Holder that, in relation to any payment to be made by it under this Clause 31, it will comply with the provisions of Condition 7 to the extent that they apply to any

payments in respect of Underlying Notes as if those provisions had been set out in full in this Clause 31.

- (5) The relevant Issuer will pay any stamp and other duties and taxes, including interest and penalties, payable on or in connection with the execution of this Agreement and any action taken by any Relevant Account Holder to enforce the provisions of this Clause 31.
- (6) This Clause 31 and Clause 34 shall take effect as a Deed Poll for the benefit of the Relevant Account Holders from time to time. This Agreement shall be deposited with and held by the common depositary or common safekeeper, as the case may be, for Euroclear and Clearstream, Luxembourg (being at that date of this Agreement the Agent) until all the obligations of each Issuer under this Clause 31 have been discharged in full.
- (7) Each Issuer acknowledges the right of every Relevant Account Holder to the production of, and the right of every Relevant Account Holder to obtain (upon payment of a reasonable charge) a copy of, this Agreement, and further acknowledges and covenants that the obligations binding upon it contained in this Clause 31 are owed to, and shall be for the account of, each and every Relevant Account Holder, and that each Relevant Account Holder shall be entitled severally to enforce those obligations against the relevant Issuer.

### **32. DESCRIPTIVE HEADINGS**

The descriptive headings in this Agreement are for convenience of reference only and shall not define or limit the provisions hereof.

### **33. CONTRACTS (RIGHTS OF THIRD PARTIES) ACT 1999**

Save for Clause 31, this Agreement confers no right on a person who is not a party to this Agreement by virtue of the Contracts (Rights of Third Parties) Act 1999 to enforce any term of this Agreement, but this does not affect any right or remedy of a third party which exists or is available apart from that Act.

### **34. GOVERNING LAW**

- (1) This Agreement and any non-contractual obligations arising out of or in connection with this Agreement shall be governed by, and construed in accordance with, the laws of England.
- (2) Each Issuer hereby irrevocably agrees for the exclusive benefit of the Agent, the Paying Agents and the Relevant Account Holders that the courts of England are to have jurisdiction to settle any disputes which may arise out of or in connection with this Agreement (including a dispute relating to any non-contractual obligations arising out of or in connection with this Agreement) and that accordingly any suit, action or proceedings (together referred to as **Proceedings**) arising out of or in connection with this Agreement (including any Proceedings relating to any non-contractual obligations arising out of or in connection with this Agreement) may be brought in such courts. Each Issuer hereby irrevocably waives any objection which it may have to the laying of the venue of any Proceedings in any such courts and any claim that any such Proceedings have been brought in an inconvenient forum and hereby further irrevocably agrees that a judgment in

any Proceedings brought in the English courts shall be conclusive and binding upon each Issuer and may be enforced in the courts of any other jurisdiction. Nothing contained herein shall limit any right to take Proceedings against any Issuer in any other court of competent jurisdiction, nor shall the taking of Proceedings in one or more jurisdictions preclude the taking of Proceedings in any other jurisdiction, whether concurrently or not. Each Issuer hereby appoints Toyota Financial Services (UK) PLC of Great Burgh, Burgh Heath, Epsom, Surrey KT18 5UZ as its agent for service of process and agrees that, in the event of Toyota Financial Services (UK) PLC ceasing so to act or ceasing to be registered in England, it will appoint another person as its agent for service of process in England in respect of any Proceedings.

- (3) If TMF is represented by an attorney or attorneys in connection with the signing and/or execution and/or delivery of this Agreement or any agreement, deed or document referred to herein or made pursuant hereto and the relevant power or powers of attorney is or are expressed to be governed by the laws of the Netherlands, it is hereby expressly acknowledged and accepted by the other parties hereto that such laws shall govern the existence and extent of such attorney's or attorneys' authority and the effects of the exercise thereof.

### **35. COUNTERPARTS**

This Agreement may be executed in any number of counterparts, and by each party on separate counterparts. Each counterpart is an original, but all counterparts shall together constitute one and the same instrument. Delivery of a counterpart of this Agreement by email attachment or telecopy shall be an effective mode of delivery.

**IN WITNESS WHEREOF**, TMF, TCCI, TFA and TMCC have executed this Agreement as a deed, and the Agent has executed this Agreement, as of the date first above written.

Registered Notes issued by Toyota Motor Credit Corporation are also issued subject to, and with the benefit of, an amended and restated note agency agreement dated 13 September 2024 (the “*TMCC Note Agency Agreement*”) and made between Toyota Motor Credit Corporation as Issuer, The Bank of New York Mellon SA/NV, Dublin Branch as registrar and transfer agent (the “*TMCC Registrar*”, which expression shall include any successor registrar and transfer agent) and The Bank of New York Mellon, acting through its London branch, as transfer agent and paying agent (the “*TMCC Transfer Agent*”, which expression shall include any additional or successor transfer agent or paying agent appointed for Registered Notes issued by Toyota Motor Credit Corporation).

References in these Terms and Conditions of the Notes (“*Terms and Conditions*”) to the “*Issuer*” shall be references to the party specified in the applicable Final Terms (as defined below). References herein to the “*Notes*” shall be references to the Notes of this Series (as defined below) and shall mean (i) in relation to any Notes represented by a global Note, units of the lowest Specified Denomination (as defined below) in the Specified Currency (as defined below) of the relevant Notes, (ii) definitive Notes issued in exchange (or part exchange) for a temporary global Note, a permanent global Note or a global Registered Note and (iii) any global Note.

Interest bearing definitive Notes in bearer form will (unless otherwise indicated in the applicable Final Terms) have interest coupons (“*Coupons*”) and, if indicated in the applicable Final Terms, talons for further Coupons (“*Talons*”) attached on issue. Any reference herein to Coupons or coupons shall, unless the context otherwise requires, be deemed to include a reference to Talons. Global Notes do not have Coupons or Talons attached on issue.

The Notes and the Coupons have the benefit of certain Credit Support Agreements governed by Japanese law, one between Toyota Motor Corporation (the “*Parent*”) and Toyota Financial Services Corporation (“*TFS*”) dated 14 July 2000 as supplemented by a Supplemental Credit Support Agreement dated 14 July 2000 and a Supplemental Credit Support Agreement No. 2 dated 2 October 2000 (collectively, the “*TMC Credit Support Agreement*”) and others between TFS and each of Toyota Motor Finance (Netherlands) B.V., Toyota Credit Canada Inc. and Toyota Finance Australia Limited dated 7 August 2000 and Toyota Motor Credit Corporation dated 1 October 2000 (each a “*Credit Support Agreement*” and together with the TMC Credit Support Agreement, the “*Credit Support Agreements*”). The Credit Support Agreements do not

constitute a direct or indirect guarantee by the Parent or TFS of the Notes. The Parent's obligations under its Credit Support Agreement and the obligations of TFS under its Credit Support Agreements, rank *pari passu* with its direct, unconditional, unsubordinated and unsecured debt obligations.

The Final Terms applicable to the Notes are attached to or endorsed on the Notes and supplement these Terms and Conditions. References herein to the "*applicable Final Terms*" shall mean the Final Terms attached to or endorsed on the Notes.

As used herein, "*Series*" means each original issue of Notes together with any further issues expressed to form a single series with the original issue and the terms of which (save for the Issue Date, the amount and the date of the first payment of interest thereon and/or the Issue Price (as indicated in the applicable Final Terms)) are identical (including the Maturity Date, Interest Basis, Redemption/Payment Basis and Interest Payment Dates (if any) and whether or not the Notes are admitted to trading) and expressions "*Notes of the relevant Series*" and related expressions shall be construed accordingly. As used herein, "*Tranche*" means all Notes of the same Series with the same Issue Date and Interest Commencement Date (if applicable).

Copies of the Agency Agreement (which contains the form of the Final Terms), the Credit Support Agreements and (if the Notes are offered to the public in a Member State of the European Economic Area or admitted to trading on a regulated market within the meaning of Regulation (EU) 2017/1129, as amended (the "*Prospectus Regulation*") in the relevant Member State or offered to the public in the United Kingdom or admitted to trading on a regulated market within the meaning of Regulation (EU) 2017/1129 as it forms part of United Kingdom domestic law by virtue of the European Union (Withdrawal) Act 2018, as amended), the Final Terms applicable to the Notes are available free of charge and available for inspection at the specified offices of the Agent. If the Notes are to be admitted to trading on the main market of the London Stock Exchange plc or offered to the public in the United Kingdom in circumstances not within an exemption from the requirement to publish a prospectus under Section 85 of the Financial Services and Markets Act 2000, as amended, the applicable Final Terms will be published on the website of the London Stock Exchange plc through a regulatory news service and/or on the Issuer's website. If the Notes are admitted to trading on the regulated market of the Irish Stock Exchange plc trading as Euronext Dublin ("*Euronext Dublin*") or offered to the public in a Member State of the European Economic Area in circumstances not within an exemption from the requirement to publish a prospectus under the Prospectus Regulation, the applicable Final Terms will be published on the website of Euronext Dublin through a regulatory news service and/or on the Issuer's website. The holders of the Notes (the "*Noteholders*"), which expression shall, in relation to any Notes represented by a global Note, be construed as provided in Condition 1, and the holders of the Coupons (the "*Couponholders*") are deemed to have notice of the Agency Agreement and the applicable Final Terms, which are binding on them. The holders of Registered Notes issued by Toyota Credit Canada Inc. are deemed to have notice of the TCCI Note Agency Agreement, which is binding on them and the holders of Registered Notes issued by Toyota Motor Credit Corporation are deemed to have notice of the TMCC Note Agency Agreement, which is binding on them.

Words and expressions defined in the Agency Agreement or (if the Note is a Registered Note issued by Toyota Credit Canada Inc.) in the TCCI Note Agency Agreement or (if the Note is a Registered Note issued by Toyota Motor Credit Corporation) in the TMCC Note Agency Agreement or used in the applicable Final Terms shall have the same meanings where used in

these Terms and Conditions unless the context otherwise requires or unless otherwise stated. In the event of inconsistency between the Agency Agreement, (if the Note is a Registered Note issued by Toyota Credit Canada Inc.) the TCCI Note Agency Agreement, (if the Note is a Registered Note issued by Toyota Motor Credit Corporation) the TMCC Note Agency Agreement or the applicable Final Terms, the applicable Final Terms will prevail.

## **1. Form, Denomination and Title**

The Notes may be issued in bearer form (“*Bearer Notes*”) or, in respect of Notes issued by Toyota Credit Canada Inc. or Toyota Motor Credit Corporation, in bearer or registered form as set out in the applicable Final Terms and, in the case of definitive Bearer Notes, serially numbered, in the currency (“*Specified Currency*”) and in the denominations (“*Specified Denomination(s)*”), as specified in the applicable Final Terms.

Bearer Notes may not be exchanged for Registered Notes and *vice versa*.

The Note may be a Note bearing interest on a fixed rate basis (“*Fixed Rate Note*”), a Note bearing interest on a floating rate basis (“*Floating Rate Note*”), a Note issued on a non-interest bearing basis (“*Zero Coupon Note*”) or any combination of the foregoing, depending upon the interest basis specified in the applicable Final Terms.

Bearer Notes in definitive form are issued with Coupons attached, unless they are Zero Coupon Notes in which case references to interest (other than interest due after the Maturity Date), Coupons and Couponholders in these Terms and Conditions are not applicable.

Subject as set out below, title to Bearer Notes and Coupons will pass by delivery. The holder of each Coupon whether or not such Coupon is attached to a Note, in their capacity as such, shall be subject to and bound by all the provisions contained in the relevant Note. Subject as set out below, the Issuer and any Paying Agent may deem and treat the bearer of any Bearer Note or Coupon as the absolute owner thereof (whether or not overdue and notwithstanding any notice to the contrary, including any notice of ownership or writing thereon or notice of any previous loss or theft thereof) for all purposes but, in the case of any global Bearer Note, without prejudice to the provisions set out in the next succeeding paragraph.

For so long as any of the Notes is represented by a global Note, each person who is for the time being shown in the records of Euroclear Bank SA/NV (“*Euroclear*”) or of Clearstream Banking S.A. (“*Clearstream, Luxembourg*”) or any other agreed clearing system as the holder of a particular nominal amount of such Notes (other than a clearing agency (including Euroclear and Clearstream, Luxembourg) that is itself an account holder of Euroclear or Clearstream, Luxembourg or any other agreed clearing system (in which regard any certificate or other document issued by Euroclear or Clearstream, Luxembourg or any other agreed clearing system as to the nominal amount of Notes standing to the account of any person shall be conclusive and binding for all purposes save in the case of manifest error or proven error)) shall be treated by the Issuer, the Agent and any other Paying Agent or (in the case of Registered Notes issued by Toyota Credit Canada Inc.) the TCCI Registrar and the TCCI Transfer Agent or (in the case of Registered Notes issued by Toyota Motor Credit Corporation) the TMCC Registrar and the TMCC Transfer Agent as the holder of such nominal amount of such Notes for all purposes other than with respect to the payment of principal (including premium (if any)) or interest on the Notes, for which purpose the bearer of the relevant global Bearer Note or registered holder of the global Registered Note shall be treated by the Issuer, the Agent and any other Paying Agent as the holder of such Notes in accordance with and subject to the terms of the relevant global Note (and the expressions “*Noteholder*” and “*holder of Notes*” and related expressions shall be construed accordingly). Notes which are represented by a global Note will be transferable only in accordance with the rules and procedures for the time being of Euroclear or of Clearstream, Luxembourg, as the case may be.

Title to Registered Notes issued by Toyota Credit Canada Inc. passes on due endorsement in the central register (“*TCCI Register*”) which Toyota Credit Canada Inc. shall procure to be kept by the BNY Trust Company of Canada. Toyota Credit Canada Inc. shall procure a branch register to be kept by The Bank of New York Mellon SA/NV, Dublin Branch in respect of Registered Notes settled or cleared in Euroclear or Clearstream, Luxembourg. Title to Registered Notes issued by Toyota Motor Credit Corporation passes on due endorsement in the relevant register (“*TMCC Register*”) which Toyota Motor Credit Corporation shall procure to be kept by the TMCC Registrar. Subject as set out above, except as ordered by a court of competent jurisdiction or as required by law, the registered holder of any Registered Note shall be deemed to be and may be treated as the absolute owner of such Registered Note for all purposes, whether or not such Registered Note shall be overdue and notwithstanding any notice of ownership, theft or loss thereof or any writing thereon made by anyone and no person shall be liable for so treating such registered holder (and the expressions “*Noteholder*” and “*holder of Notes*” and related expressions shall be construed accordingly).

Provisions relating to the transfer of Registered Notes issued by Toyota Credit Canada Inc. are set out in the relevant Registered Note and the TCCI Note Agency Agreement. Provisions relating to the transfer of Registered Notes issued by Toyota Motor Credit Corporation are set out in the relevant Registered Note and the TMCC Note Agency Agreement.

#### **4. Interest**

(a) ***Interest on Fixed Rate Notes and Business Day Convention for Notes other than Floating Rate Notes***

Each Fixed Rate Note bears interest from (and including) the Interest Commencement Date which is specified in the applicable Final Terms (or the Issue Date, if no Interest Commencement Date is separately specified) to (but excluding) the Maturity Date specified in the applicable Final Terms at the rate(s) per annum equal to the Fixed Rate(s) of Interest so specified payable in arrear on the Interest Payment Date(s) in each year and on the Maturity Date so specified if it does not fall on an Interest Payment Date.

If the Notes are in definitive form, except as provided in the applicable Final Terms, or if the applicable Final Terms specify that a Fixed Coupon Amount or Broken Amount(s) shall apply in the case of Notes represented by a global Note, the amount of interest payable on each Interest Payment Date in respect of the Fixed Interest Period ending on (but excluding) such date will amount to the Fixed Coupon Amount as specified in the applicable Final Terms. Payments of interest on any Interest Payment Date will, if so specified in the applicable Final Terms, amount to the Broken Amount(s) so specified.

As used in these Terms and Conditions, “*Fixed Interest Period*” means the period from (and including) an Interest Payment Date (or the Interest Commencement Date or the Issue Date, as the case may be) to (but excluding) the next (or first) Interest Payment Date or Maturity Date.

Unless specified otherwise in the applicable Final Terms, the “*Following Business Day Convention*” will apply to the payment of all Fixed Rate Notes, meaning that if the Interest Payment Date or Maturity Date would otherwise fall on a day which is not a Business Day (as defined in Condition 4(b)(i) below), the related payment of principal or interest will be made on the next succeeding Business Day as if made on the date such payment was due. If the “*Modified Following Business Day Convention*” is specified in the applicable Final Terms for any Fixed Rate Note, it shall mean that if the Interest Payment Date or Maturity Date would otherwise fall on a day which is not a Business Day (as defined in Condition 4(b)(i) below), the related payment of principal or interest will be made on the next succeeding Business Day as if made on the date such payment was due unless it would thereby fall into the next calendar month in which event the full amount of payment shall be made on the immediately preceding Business Day as if made on the day such payment was due. Unless specified otherwise in the applicable Final Terms, the amount of interest due shall not be changed if payment is made on a day other than an Interest Payment Date or the Maturity Date as a result of the application of a Business Day Convention specified above or other Business Day Convention specified in the applicable Final Terms.

Except in the case of (i) Notes in definitive form where a Fixed Coupon Amount or a Broken Amount is specified in the applicable Final Terms or (ii) Notes represented by a global Note where the applicable Final Terms specify that a Fixed Coupon Amount or Broken Amount(s) shall apply, interest shall be calculated in respect of any period (including any period ending other than on an Interest Payment Date (which for this purpose shall not include a period where a payment is made on a day other than an Interest Payment Date or the Maturity Date as a result of the application of a Business Day Convention as provided in the immediately preceding paragraph, unless specified otherwise in the applicable Final Terms)) by applying the Fixed Rate of Interest to:

- (A) in the case of Fixed Rate Notes which are represented by a global Note, the aggregate outstanding nominal amount of the Fixed Rate Notes represented by such global Note; or
- (B) in the case of Fixed Rate Notes in definitive form, the Calculation Amount,

and, in each case, multiplying such sum by the applicable Fixed Day Count Fraction or Day Count Fraction as specified in the applicable Final Terms, and rounding the resultant figure to the nearest sub-unit of the relevant Specified Currency, half of any such sub-unit being rounded upwards or otherwise in accordance with applicable market convention. Where the Specified Denomination of a Fixed Rate Note in definitive form is a multiple of the Calculation Amount, the amount of interest payable in respect of such Fixed Rate Note shall be the product of the amount (determined in the manner provided above) for the Calculation Amount and the amount by which the Calculation Amount is multiplied to reach the Specified Denomination, without any further rounding.

In these Terms and Conditions, “*Fixed Day Count Fraction*” means:

- (i) if “*Actual/Actual (ICMA)*” is specified in the applicable Final Terms:

- (A) in the case of Notes where the number of days in the relevant period from (and including) the most recent Interest Payment Date (or, if none, the Interest Commencement Date or Issue Date, as applicable) to (but excluding) the relevant payment date (the “*Accrual Period*”) is equal to or shorter than the Determination Period (as defined below) during which the Accrual Period ends, the number of days in such Accrual Period divided by the product of (1) the number of days in such Determination Period and (2) the number of Determination Dates (as specified in the applicable Final Terms) that would occur in one calendar year assuming interest was to be payable in respect of the whole of that year; or
- (B) in the case of Notes where the Accrual Period is longer than the Determination Period during which the Accrual Period ends, the sum of:
  - (1) the number of days in such Accrual Period falling in the Determination Period in which the Accrual Period begins divided by the product of (x) the number of days in such Determination Period and (y) the number of Determination Dates (as specified in the applicable Final Terms) that would occur in one calendar year assuming interest was to be payable in respect of the whole of that year; and
  - (2) the number of days in such Accrual Period falling in the next Determination Period divided by the product of (x) the number of days in such Determination Period and (y) the number of Determination Dates (as specified in the applicable Final Terms) that would occur in one calendar year assuming interest was to be payable in respect of the whole of that year;
- (ii) if “*Actual/Actual (ISDA)*” is specified in the applicable Final Terms, the actual number of days in the relevant period from (and including) the most recent Interest Payment Date (or, if none, the Interest Commencement Date or Issue Date, as applicable) to (but excluding) the next scheduled Interest Payment Date divided by 365 (or, if any portion of that period falls in a leap year, the sum of (x) the actual number of days in that portion of the period falling in a leap year divided by 366; and (y) the actual number of days in that portion of the period falling in a non-leap year divided by 365);
- (iii) if “*30/360*” is specified in the applicable Final Terms, the number of days in the relevant period from (and including) the most recent Interest Payment Date (or, if none, the Interest Commencement Date or Issue Date, as applicable) to (but excluding) the next scheduled Interest Payment Date (such number of days being calculated on the basis of a year of 360 days with 12 30-day months) divided by 360 and, in the case of an incomplete month, the number of days elapsed;
- (iv) if “*Actual/360*” is specified in the applicable Final Terms, the actual number of days in the relevant period from (and including) the most recent Interest Payment Date (or, if none, the Interest Commencement Date or Issue Date, as applicable) to (but excluding) the next scheduled Interest Payment Date divided by 360;
- (v) if “*Actual/Actual Canadian Compound Method*” is specified in the applicable Final Terms, whenever it is necessary to compute any amount of accrued interest in respect of the Notes for a period of less than one full year, other than in respect of any Fixed Coupon Amount or Broken Amount, such interest will be calculated on the basis of the actual number of days in the period and a year of 365 days; and
- (vi) if “*Actual/365 (Fixed)*” is specified in the applicable Final Terms, the actual number of days in the Fixed Interest Period divided by 365.

In these Terms and Conditions:

“*Determination Period*” means the period from (and including) a Determination Date (as specified in the applicable Final Terms) to (but excluding) the next Determination Date (including, where either the Interest Commencement Date or the final Interest Payment Date is not a Determination Date, the period commencing on the first Determination Date prior to, and ending on the first Determination Date falling after, such date); and

“*sub-unit*” means, with respect to any currency other than euro, the lowest amount of such currency that is available as legal tender in the country of such currency and, with respect to euro, means one cent.

“*d*” is the number of calendar days from (and including) the day in relation to which SONIA Compounded Index<sub>x</sub> is determined to (but excluding) the day in relation to which SONIA Compounded Index<sub>y</sub> is determined;

“SONIA Compounded Index<sub>x</sub>” means, with respect to an Interest Period, the SONIA Compounded Index determined in relation to the day falling the Relevant Number of London Banking Days prior to the first day of such Interest Period;

“SONIA Compounded Index<sub>y</sub>” means, with respect to an Interest Period, the SONIA Compounded Index determined in relation to the day falling the Relevant Number of London Banking Days prior to the Interest Payment Date for such Interest Period, or such other date as when the relevant payment of interest falls to be due (but which by definition or the operation of the relevant provisions is excluded from such Interest Period);

“*London Banking Day*” means any day on which commercial banks are open for general business (including dealings in foreign exchange and foreign currency deposits) in London; and

“*Relevant Number*” is as specified in the applicable Final Terms (or, if no such number is specified, five).

If the relevant SONIA Compounded Index is not published or displayed by the administrator of the SONIA reference rate or other information service by 5.00 p.m. (London time) (or, if later, by the time falling one hour after the customary or scheduled time for publication thereof in accordance with the then-prevailing operational procedures of the administrator of the SONIA reference rate or of such other information service, as the case may be) on the relevant Interest Determination Date, the Compounded Daily SONIA rate for the applicable Interest Period for which SONIA Compounded Index is not available shall be Compounded Daily SONIA determined in accordance with Condition 4(b)(ii)(2)(A) above as if Compounded Index Rate is not specified as being applicable in the applicable Final Terms. For these purposes, the Calculation Method shall be deemed to be Compounded Daily Rate, and for these purposes (i) the Observation Method shall be deemed to be Shift and (ii) the Observation Lookback Period shall be deemed to be equal to the Relevant Number of London Banking Days, as if those alternative elections had been made in the applicable Final Terms.

(C) if the Notes become due and payable otherwise than on an Interest Payment Date, the final Interest Determination Date shall, notwithstanding any Interest Determination Date specified in the applicable Final Terms, be deemed to be the due date on which such Notes become due and payable and the Rate of Interest on such Notes shall, for so long as any such Note remains outstanding, be that determined on such date and as if (solely for the purpose of such interest determination) the relevant Interest Period had been shortened accordingly.

(3) (A) where the Reference Rate is specified in the applicable Final Terms as being SOFR and the Calculation Method is specified in the applicable Final Terms as being Compounded SOFR Rate (“*Compounded SOFR Notes*”), the Rate of Interest for each Interest Period will be Compounded SOFR and (as indicated in the applicable Final Terms) the Margin, if any, all determined by the Agent (or such other Calculation Agent specified in the applicable Final Terms) on each relevant Interest Determination Date.

“*Compounded SOFR*” means, with respect to an Interest Period, the rate (expressed as a percentage and rounded if necessary to the fifth decimal place, with 0.000005 being rounded upwards) determined by the Agent (or such other Calculation Agent specified in the applicable Final Terms) in accordance with the following formula:

$$\left( \frac{SOFR Index_{End}}{SOFR Index_{Start}} - 1 \right) \times \left( \frac{360}{d_c} \right)$$

where:

“*SOFR Index<sub>Start</sub>*” is the SOFR Index value for the day falling the Relevant Number of U.S. Government Securities Business Days preceding the first date of the relevant Interest Period;

“*SOFR Index<sub>End</sub>*” is the SOFR Index value for the day falling the Relevant Number of U.S. Government Securities Business Days preceding the latter Interest Payment Date relating to such Interest Period; and

“*d<sub>c</sub>*” is the actual number of calendar days in such Observation Period.

For purposes of determining Compounded SOFR, “*SOFR Index*” means, with respect to any U.S. Government Securities Business Day:

- (1) the SOFR Index value as published for such U.S. Government Securities Business Day by the New York Federal Reserve as such index appears on the New York Federal Reserve’s Website at 3:00 p.m., New York City time, on such U.S. Government Securities Business Day (the “*SOFR Determination Time*”); provided that:

(2) if a SOFR Index value does not so appear as specified in (1) above at the SOFR Determination Time, then:

- (i) if a Benchmark Transition Event and its related Benchmark Replacement Date have not occurred with respect to the Secured Overnight Financing Rate, then Compounded SOFR shall be the rate determined pursuant to the “*SOFR Index Unavailable*” provisions described below; or
- (ii) if a Benchmark Transition Event and its related Benchmark Replacement Date have occurred with respect to the Secured Overnight Financing Rate, then Compounded SOFR shall be the rate determined pursuant to the “*Effect of a Benchmark Transition Event*” provisions described below.

*SOFR Index Unavailable:*

If a SOFR Index<sub>Start</sub> or SOFR Index<sub>End</sub> is not published on the associated Interest Determination Date and a Benchmark Transition Event and its related Benchmark Replacement Date have not occurred with respect to the Secured Overnight Financing Rate, “*Compounded SOFR*” means, for the applicable Interest Period for which such index is not available, the rate of return on a daily compounded interest investment calculated in accordance with the formula for SOFR Averages, and definitions required for such formula, published on the New York Federal Reserve’s website at <https://www.newyorkfed.org/markets/treasury-repo-reference-rates-information>. For the purposes of this provision, references in the SOFR Averages compounding formula and related definitions to “*calculation period*” shall be replaced with “*Observation Period*” and the words “*that is, 30-, 90-, or 180- calendar days*” shall be removed. If the daily Secured Overnight Financing Rate (“*SOFR<sub>i</sub>*”) does not so appear for any day, “*i*” in the Observation Period, SOFR<sub>i</sub> for such day “*i*” shall be the Secured Overnight Financing Rate published in respect of the first preceding U.S. Government Securities Business Day for which the Secured Overnight Financing Rate was published on the New York Federal Reserve’s Website.

*Effect of a Benchmark Transition Event:*

If the Issuer or its designee determines on or prior to the relevant Reference Time that a Benchmark Transition Event and its related Benchmark Replacement Date have occurred with respect to the then-current Benchmark, the Benchmark Replacement will replace the then-current Benchmark for all purposes relating to the Compounded SOFR Notes in respect of all determinations on such date and for all determinations on all subsequent dates.

In connection with the implementation of a Benchmark Replacement, the Issuer or its designee will have the right to make Benchmark Replacement Conforming Changes from time to time.

Any determination, decision or election that may be made by the Issuer or its designee pursuant to this Condition 4(b)(ii)(3)(A), including a determination with respect to a tenor, rate or adjustment or of the occurrence or non-occurrence of an event, circumstance or date and any decision to take or refrain from taking any action or any selection:

- (1) will be conclusive and binding absent manifest error;
- (2) will be made in the Issuer’s or its designee’s sole discretion; and
- (3) notwithstanding anything to the contrary in the documentation relating to the Compounded SOFR Notes, shall become effective without consent from the holders of the Compounded SOFR Notes or any other party.

The Agent (or such other Calculation Agent specified in the applicable Final Terms) will not have any liability for any determination made by the Issuer or its designee in connection with a Benchmark Transition Event, a Benchmark Replacement or Benchmark Replacement Conforming Changes.

In no event shall the Agent (or such other Calculation Agent specified in the applicable Final Terms) be responsible for determining any Benchmark Transition Event, Benchmark Replacement or for making any adjustments to any alternative Benchmark or margin or spread thereon, the business day convention, interest determination dates or any other relevant methodology for calculating any such substitute or successor Benchmark. In connection with the foregoing, the Agent (or such other Calculation Agent specified in the applicable Final Terms) will be entitled to conclusively rely on any determinations made by the Issuer or its designee and will have no liability for such actions taken at the direction of the Issuer or its designee.

“*Benchmark*” means, initially, Compounded SOFR, as such term is defined above; provided that if the Issuer or its designee determines on or prior to the Reference Time that a Benchmark Transition Event and its related Benchmark Replacement Date have occurred with respect to Compounded SOFR (or the published SOFR Index used in the calculation thereof) or the then-current Benchmark, then “*Benchmark*” means the applicable Benchmark Replacement.

- (2) the sum of: (a) the ISDA Fallback Rate and (b) the Benchmark Replacement Adjustment;  
or
- (3) the sum of: (a) the alternate rate of interest that has been selected by the Issuer or its designee as the replacement for the then-current Benchmark giving due consideration to any industry-accepted rate of interest as a replacement for the then-current Benchmark for U.S. dollar-denominated floating rate notes at such time and (b) the Benchmark Replacement Adjustment.

“*Benchmark Replacement Adjustment*” means the first alternative set forth in the order below that can be determined by the Issuer or its designee as of the Benchmark Replacement Date:

- (3) the spread adjustment (which may be a positive or negative value or zero) that has been selected by the Issuer or its designee giving due consideration to any industry-accepted spread adjustment, or method for calculating or determining such spread adjustment, for the replacement of the then-current Benchmark with the applicable Unadjusted Benchmark Replacement for U.S. dollar-denominated floating rate notes at such time.

“*Benchmark Replacement Conforming Changes*” means, with respect to any Benchmark Replacement, any technical, administrative or operational changes (including changes to the definition of the Interest Period, timing and frequency of determining rates and making payments

of interest, rounding of amounts or tenors, and other administrative matters) that the Issuer or its designee decide may be appropriate to reflect the adoption of such Benchmark Replacement in a manner substantially consistent with market practice (or, if the Issuer or its designee decide that adoption of any portion of such market practice is not administratively feasible or if the Issuer or its designee determine that no market practice for use of the Benchmark Replacement exists, in such other manner as the Issuer or its designee determine is reasonably necessary).

“*Benchmark Replacement Date*” means the earliest to occur of the following events with respect to the then-current Benchmark (including the daily published component used in the calculation thereof):

For the avoidance of doubt, if the event that gives rise to the Benchmark Replacement Date occurs on the same day as, but earlier than, the Reference Time in respect of any determination, the Benchmark Replacement Date will be deemed to have occurred prior to the Reference Time for such determination.

For the avoidance of doubt, for purposes of the definitions of Benchmark Replacement Date and Benchmark Transition Event, references to Benchmark also include any reference rate underlying such Benchmark.

“*Benchmark Transition Event*” means the occurrence of one or more of the following events with respect to the then-current Benchmark (including the daily published component used in the calculation thereof):

- (1) a public statement or publication of information by or on behalf of the administrator of the Benchmark (or such component) announcing that such administrator has ceased or will cease to provide the Benchmark (or such component), permanently or indefinitely, provided that, at the time of such statement or publication, there is no successor administrator that will continue to provide the Benchmark (or such component);
- (2) a public statement or publication of information by the regulatory supervisor for the administrator of the Benchmark (or such component), the central bank for the currency of the Benchmark (or such component), an insolvency official with jurisdiction over the administrator for the Benchmark (or such component), a resolution authority with jurisdiction over the administrator for the Benchmark (or such component) or a court or an entity with similar insolvency or resolution authority over the administrator for the Benchmark, which states that the administrator of the Benchmark (or such component) has ceased or will cease to provide the Benchmark (or such component) permanently or indefinitely, provided that, at the time of such statement or publication, there is no successor administrator that will continue to provide the Benchmark (or such component); or
- (3) a public statement or publication of information by the regulatory supervisor for the administrator of the Benchmark announcing that the Benchmark is no longer representative.

“*Benchmark Transition Event*” means the occurrence of one or more of the following events with respect to the then-current Benchmark:

- (1) where BBSW Rate is the Applicable Reference Rate, if a Temporary Disruption Trigger has occurred with respect to the BBSW Rate, in the following order of precedence:
  - (A) first, the Administrator Recommended Rate;
  - (B) then the Supervisor Recommended Rate; and
  - (C) lastly, the Final Fallback Rate;

- (2) where AONIA Rate is the Applicable Reference Rate or a determination of the AONIA Rate is required for the purposes of paragraph (1) above, if a Temporary Disruption Trigger has occurred with respect to AONIA, the rate for any day for which AONIA is required will be the last provided or published level of AONIA;
- (3) where a determination of the RBA Recommended Rate is required for the purposes of paragraph (1) or (2) above, if a Temporary Disruption Trigger has occurred with respect to the RBA Recommended Rate, the rate for any day for which the RBA Recommended Rate is required will be the last rate provided or published by the Administrator of the RBA Recommended Rate (or if no such rate has been so provided or published, the last provided or published level of AONIA);

  - (A) first, if at the time of the BBSW Rate Permanent Fallback Effective Date, no AONIA Permanent Fallback Effective Date has occurred, the AONIA Rate;
  - (B) then, if at the time of the BBSW Rate Permanent Fallback Effective Date, an AONIA Permanent Fallback Effective Date has occurred, an RBA Recommended Rate has been created but no RBA Recommended Rate Permanent Fallback Effective Date has occurred, the RBA Recommended Fallback Rate; and
  - (C) lastly, if neither paragraph (A) nor paragraph (B) above apply, the Final Fallback Rate;
- (5) where AONIA Rate is the Applicable Reference Rate or a determination of the AONIA Rate is required for the purposes of paragraph (4)(A) above, if a Permanent Discontinuation Trigger has occurred with respect to AONIA, the rate for any day for which AONIA is required on or after the AONIA Permanent Fallback Effective Date will be the first rate available in the following order of precedence:
  - (A) first, if at the time of the AONIA Permanent Fallback Effective Date, an RBA Recommended Rate has been created but no RBA Recommended Rate Permanent Fallback Effective Date has occurred, the RBA Recommended Rate; and

- (6) where a determination of the RBA Recommended Rate is required for the purposes of paragraph (4) or (5) above, respectively, if a Permanent Discontinuation Trigger has occurred with respect to the RBA Recommended Rate, the rate for any day for which the RBA Recommended Rate is required on or after that Permanent Fallback Effective Date will be the Final Fallback Rate.

When calculating an amount of interest in circumstances where a Fallback Rate other than the Final Fallback Rate applies, that interest will be calculated as if references to the BBSW Rate or AONIA Rate (as applicable) were references to that Fallback Rate. When calculating interest in circumstances where the Final Fallback Rate applies, the amount of interest will be calculated on the same basis as if the Applicable Reference Rate in effect immediately prior to the application of that Final Fallback Rate remained in effect but with necessary adjustments to substitute all references to that Applicable Reference Rate with corresponding references to the Final Fallback Rate;

- (2) if no such median can be determined in accordance with paragraph (1), set using the method for calculating or determining such adjustment spread determined by the Agent (or such other Calculation Agent specified in the applicable Final Terms) (after consultation with the Issuer where practicable) to be appropriate;

If the Maturity Date of the Notes falls on a day that is not a Bank of Canada Business Day, the required payment of principal and interest shall be made on the next succeeding Bank of Canada Business Day.

#### *Temporary Non-Publication of CORRA Compounded Index*

#### *Temporary Non-Publication of CORRA*

If neither the Reference Rate Administrator nor authorised distributors provide or publish CORRA and an Index Cessation Effective Date with respect to CORRA has not occurred, then, in respect of any day for which CORRA is required, references to CORRA will be deemed to be references to the last provided or published CORRA.

#### *Effect of an Index Cessation Event with respect to CORRA*

If an Index Cessation Effective Date occurs with respect to CORRA, the Rate of Interest for an Interest Determination Date which occurs on or after such Index Cessation Effective Date will be the CAD Recommended Rate, to which the most recently published spread will be applied and the Issuer (or its designee) shall make such adjustments as are necessary to account for any difference in the term, structure or tenor of the CAD Recommended Rate in comparison to CORRA.

If there is a CAD Recommended Rate before the end of the first Bank of Canada Business Day following the Index Cessation Effective Date with respect to CORRA, but neither the Reference Rate Administrator nor authorised distributors provide or publish the CAD Recommended Rate and an Index Cessation Effective Date with respect to the CAD Recommended Rate has not occurred, then, in respect of any day for which the CAD Recommended Rate is required, references to the CAD Recommended Rate will be deemed to be references to the last provided or published CAD Recommended Rate.

If (i) there is no CAD Recommended Rate before the end of the first Bank of Canada Business Day following the Index Cessation Effective Date with respect to CORRA, or (ii) there is a CAD Recommended Rate and an Index Cessation Effective Date subsequently occurs with respect to the CAD Recommended Rate, the Rate of Interest for an Interest Determination Date which occurs on or after such applicable Index Cessation Effective Date will be the BOC Target Rate, to which the most recently published spread will be applied and the Issuer (or its designee) shall make such adjustments as are necessary to account for any difference in the term, structure or tenor of the BOC Target Rate in comparison to CORRA.

In respect of any day for which the BOC Target Rate is required, references to the BOC Target Rate will be deemed to be references to the last provided or published BOC Target Rate as of the close of business in Toronto on that day.

In connection with the implementation of an Applicable Rate, the Issuer (or its designee) may make such adjustments to the Applicable Rate or the Margin, if any, as well as the Business Day Convention, the Day Count Fraction, Interest Determination Dates, and related provisions and definitions (including observation dates for reference rates), in each case as are consistent with accepted market practice for the use of the Applicable Rate for debt obligations such as the Notes in such circumstances.

Any determination, decision or election that may be made by the Issuer (or its designee), the Calculation Agent, as applicable, in relation to the Applicable Rate, including any determination with respect to an adjustment or the occurrence or non-occurrence of an event, circumstance or date and any decision to take or refrain from taking any action or any selection: (i) will be conclusive and binding, absent any manifest error; (ii) if made by the Issuer, will be in the sole discretion of the Issuer, or, as applicable, if made by the Calculation Agent will be made after consultation with the Issuer; and (iii) shall become effective without consent from the holders of the Notes or any other party. In addition, the Issuer may designate an entity (which may be its affiliate) to make any determination or decision that the Issuer has the right to make in connection with such terms and provisions.

Where Linear Interpolation is specified as applicable in respect of an Interest Period or Specified Period in the applicable Final Terms, the Rate of Interest for such Interest Period or Specified Period shall be calculated by the Agent (or if the Agent is not the Calculation Agent, the Calculation Agent specified in the applicable Final Terms) by straight line linear interpolation by reference to two rates based on the relevant Reference Rate, one of which shall be determined as if the Designated Maturity (as defined below) were the period of time for which rates are available next shorter than the length of the relevant Interest Period or Specified Period and the other of which shall be determined as if the Designated Maturity were the period of time for which rates are available next longer than the length of the relevant Interest Period or Specified Period, provided however, that if there is no rate available for a period of time next shorter or, as the case may be, next longer, then the Agent (or if the Agent is not the Calculation Agent, the Calculation Agent specified in the applicable Final Terms) shall determine such rate at such time and by reference to such sources as the Issuer shall determine as appropriate for such purposes. For the purposes of this Condition 4(b)(v), the expression “*Designated Maturity*” means the period of time designated in the Reference Rate.

(vi) *Notification of Rate of Interest and Interest Amount*

Each Interest Amount and Interest Payment Date so notified may subsequently be amended (or appropriate alternative arrangements made by way of adjustment) without publication as aforesaid or prior notice in the event of an extension or shortening of the Interest Period or Specified Period in accordance with the provisions hereof. Any such amendment will promptly be notified to each stock exchange or other relevant authority on which the relevant Floating Rate Notes are for the time being admitted to trading and listed. For the purposes of this Condition 4(b)(vi), the expression “*London Business Day*” means a day (other than a Saturday or Sunday) on which banks and foreign exchange markets are open for general business in London and “*Milan Business Day*” means a day on which banks and foreign exchange markets are open for general business in Milan.

(c) ***Benchmark Discontinuation***

Subject to the provisions in Condition 4(b) above, if the Issuer determines that a Benchmark Event has occurred in relation to an Original Reference Rate when any Rate of Interest (or any component part thereof) remains to be determined by reference to that Original Reference Rate, then the following provisions of this Condition 4(c) shall apply with the exception of SOFR, SARON, AONIA Rate, BBSW Rate or CORRA.

(i) *Successor Rate or Alternative Rate*

If there is a Successor Rate, then the Issuer shall promptly notify the Agent (or such other Calculation Agent specified in the applicable Final Terms) and, in accordance with Condition 16, the Noteholders of such Successor Rate and that Successor Rate shall (subject to adjustment as provided in Condition 4(c)(ii)) subsequently be used by the Agent (or such other Calculation Agent specified in the applicable Final Terms) in place of the Original Reference Rate to determine the relevant Rate of Interest (or the relevant component part thereof) for all relevant future payments of interest on the Notes (subject to the further operation of this Condition 4(c)).

If there is no Successor Rate but the Issuer, acting in good faith, in a commercially reasonable manner and by reference to such sources as it deems appropriate, which may include consultation with an Independent Adviser, determines that there is an Alternative Rate, then the Issuer shall promptly notify the Agent (or such other Calculation Agent specified in the applicable Final Terms) and, in accordance with Condition 16, the Noteholders of such Alternative Rate and that Alternative Rate shall (subject to adjustment as provided in Condition 4(c)(ii)) subsequently

be used in place of the Original Reference Rate to determine the relevant Rate of Interest (or the relevant component part thereof) for all relevant future payments of interest on the Notes (subject to the further operation of this Condition 4(c)).

(ii) *Adjustment Spread*

If a Successor Rate or Alternative Rate is determined in accordance with Condition 4(c)(i), the Issuer, acting in good faith, in a commercially reasonable manner and by reference to such sources as it deems appropriate, which may include consultation with an Independent Adviser, shall determine an Adjustment Spread (which may be expressed as a specified quantum or a formula or methodology for determining the applicable Adjustment Spread (and for the avoidance of doubt, an Adjustment Spread may be positive, negative or zero)), which Adjustment Spread shall be applied to the relevant Successor Rate or the Alternative Rate (as the case may be for each subsequent determination of a relevant Rate of Interest (or the relevant component part thereof) by reference to such Successor Rate or Alternative Rate (as applicable)).

Following any such determination of the Adjustment Spread, the Issuer shall promptly notify the Agent (or such other Calculation Agent specified in the applicable Final Terms) and, in accordance with Condition 16, the Noteholders of such Adjustment Spread and the Agent (or such other Calculation Agent specified in the applicable Final Terms) shall apply such Adjustment Spread to the Successor Rate or the Alternative Rate (as the case may be) for each subsequent determination of a relevant Rate of Interest (or a component part thereof) by reference to such Successor Rate or Alternative Rate (as applicable).

(iii) *Benchmark Amendments*

If any Successor Rate, Alternative Rate or Adjustment Spread is determined in accordance with this Condition 4(c) and the Issuer, acting in good faith, in a commercially reasonable manner and by reference to such sources as it deems appropriate, which may include consultation with an Independent Adviser, determines in its discretion (A) that amendments to these Terms and Conditions and/or the Agency Agreement are necessary to ensure the proper operation of such Successor Rate, Alternative Rate and/or Adjustment Spread (such amendments, the “*Benchmark Amendments*”) and (B) the terms of the Benchmark Amendments, then the Issuer shall, subject to the Issuer having to give notice thereof to the Noteholders in accordance with Condition 16, without any requirement for the consent or approval of Noteholders or the Couponholders, modify these Terms and Conditions and/or the Agency Agreement to give effect to such Benchmark Amendments with effect from the date specified in such notice.

In connection with any such modifications in accordance with this Condition 4(c)(iii), the Issuer shall comply with the rules of any stock exchange on which the Notes are for the time being listed or admitted to trading.

Any Benchmark Amendments determined under this Condition 4(c)(iii) shall be notified promptly by the Issuer to the Agent (or such other Calculation Agent specified in the applicable Final Terms) and, in accordance with Condition 16, the Noteholders. Such notice shall be irrevocable and shall specify the effective date of such Benchmark Amendments.

(iv) *Independent Adviser*

In the event the Issuer is to consult with an Independent Adviser in connection with any determination to be made by the Issuer pursuant to this Condition 4(c), the Issuer shall use its reasonable endeavours to appoint an Independent Adviser, as soon as reasonably practicable, for the purposes of any such consultation.

An Independent Adviser appointed pursuant to this Condition 4(c) shall act in good faith, in a commercially reasonable manner and (in the absence of fraud or wilful default) shall have no

liability whatsoever to the Issuer or the Noteholders for any determination made by it or for any advice given to the Issuer in connection with any determination made by the Issuer pursuant to this Condition 4(c) or otherwise in connection with the Notes.

If the Issuer consults with an Independent Adviser as to whether there is an Alternative Rate and in relation to the quantum of, or any formula or methodology for determining the Adjustment Spread and/or whether any Benchmark Amendments are necessary and/or in relation to the terms of any such Benchmark Amendments, a written determination of that Independent Adviser in respect thereof shall be conclusive and binding on all parties, save in the case of manifest error, and (in the absence of fraud or wilful default) the Issuer shall have no liability whatsoever to the Noteholders in respect of anything done, or omitted to be done, in relation to that matter in accordance with any such written determination.

No Independent Adviser appointed in connection with the Notes (acting in such capacity), shall have any relationship of agency or trust with the Noteholders.

(v) *Survival of Original Reference Rate Provisions*

Without prejudice to the obligations of the Issuer under this Condition 4(c), the Original Reference Rate and the fallback provisions provided for in Conditions 4(b), the Agency Agreement and the applicable Final Terms will continue to apply unless and until a Benchmark Event has occurred and only then once the Agent (or such other Calculation Agent specified in the applicable Final Terms) has been notified of the Successor Rate or the Alternative Rate (as the case may be), and the Adjustment Spread and Benchmark Amendments (if applicable), in accordance with the relevant provisions of this Condition 4(c).

A cheque may not be delivered to an address in, and an amount may not be transferred to an account at a bank located in, the United States of America or its possessions by any office or agency of the Issuer, the Agent or any Paying Agent or (in the case of Registered Notes issued by Toyota Credit Canada Inc.) the TCCI Registrar or TCCI Transfer Agent or (in the case of Registered Notes issued by Toyota Motor Credit Corporation) the TMCC Registrar or TMCC Transfer Agent except as provided in Condition 5(d). Payments will be subject in all cases to any fiscal or other laws and regulations applicable thereto in the place of payment and the administrative practices and procedures of fiscal and other authorities in relation to tax, anti-money laundering and other requirements which may apply to payments of amounts due (whether principal, redemption amount, interest or otherwise) in respect of Notes, but (unless otherwise specified in the applicable Final Terms) without prejudice to the provisions of Condition 7. However, if any withholding is required under Sections 1471 through to 1474 of the U.S. Internal Revenue Code of 1986, as amended, any regulations or other guidance promulgated thereunder or any official interpretations thereof (including under an agreement described under Section 1471(b)), or under any intergovernmental agreement implementing an alternative approach thereto or any implementing law in relation thereto the Issuer will not be required to pay any additional amount under Condition 7 on account of such withholding.

**(b) *Presentation of Notes and Coupons – Bearer Notes***

This Condition 5(b) applies to Bearer Notes.

Payments of principal in respect of definitive Notes will (subject as provided below) be made in the Specified Currency in the manner provided in Condition 5(a) against presentation and surrender (or, in the case of part payment of a sum due only, endorsement) of definitive Notes and payments of interest in respect of the definitive Notes will (subject as provided below) be made in the Specified Currency in the manner provided in Condition 5(a) against presentation and surrender (or, in the case of part payment of a sum due only, endorsement) of Coupons, in each case at the specified office of any Paying Agent outside the United States which expression, used herein, means the United States of America (including the States and the District of Columbia and its possessions).

Upon the date on which any Fixed Rate Notes in definitive form become due and repayable, such Notes should be presented for payment together with all unmatured Coupons appertaining thereto (which expression shall for this purpose include Coupons falling to be issued on exchange of matured Talons), failing which the amount of any missing unmatured Coupon (or, in the case of payment not being made in full, the same proportion of the aggregate amount of such missing unmatured Coupon as the sum so paid bears to the sum due) will be deducted from the sum due for payment. Unless otherwise specified in the applicable Final Terms, each amount of principal so deducted will be paid in the manner mentioned above against surrender of the relative missing Coupon at any time before the expiry of five years after the Relevant Date (as defined in Condition 8) in respect of such principal (whether or not such Coupon would otherwise have become void under Condition 8) or, if later, five years from the date on which such Coupon would otherwise have become due. Upon any Fixed Rate Note in definitive form becoming due and repayable prior to its Maturity Date, all unmatured Talons (if any) appertaining thereto will become void and no further Coupons will be issued in respect thereof.

Upon the date on which any Floating Rate Note in definitive form becomes due and repayable, unmatured Coupons and Talons (if any) relating thereto (whether or not attached) shall become void and no payment or, as the case may be, exchange for further Coupons shall be made in respect thereof.

If the due date for redemption of any definitive Note is not an Interest Payment Date, interest (if any) accrued but unpaid in respect of such Note from (and including) the preceding Interest Payment Date or, as the case may be, the Interest Commencement Date or Issue Date (as applicable) shall be payable only against surrender of the relevant definitive Note.

Payments of principal and interest (if any) in respect of Notes represented by any global Note will (subject as provided below) be made in the manner specified above in relation to definitive Notes or otherwise in the manner specified in the relevant global Note, where applicable against presentation or surrender, as the case may be, of such global Note, if the global Note is not issued in NGN form or held under the NSS, at the specified office of any Paying Agent located outside the United States except as provided below. A record of each payment made, distinguishing between any payment of principal and any payment of interest, will be made on such global Note either by the Paying Agent to which it was presented or in the records of Euroclear and Clearstream, Luxembourg, as applicable.

**(c) *Presentation and Surrender of Notes – Registered Notes***

Provisions in relation to payments of principal and interest in respect of Registered Notes will be set out in the relevant global Registered Note or definitive Registered Note and as otherwise set out in these Terms and Conditions. Interest on Registered Notes shall be paid to the person shown on the relevant TCCI Register with respect to Registered Notes issued by Toyota Credit Canada Inc., or the relevant TMCC Register with respect to Registered Notes issued by

Toyota Motor Credit Corporation, on the Record Date, and “*Record Date*” means, in the case of global Registered Notes, at the close of business on the relevant clearing system business day before the due date for payment thereof, or in the case of Registered Notes in definitive form, at close of business on the fifteenth day before the due date for payment thereof.

**(d) *Global Notes***

The holder of a global Note shall be the only person entitled to receive payments in respect of Notes represented by such global Note and the Issuer will be discharged by payment to, or to the order of, the holder of such global Note in respect of each amount so paid. Each of the persons shown in the records of Euroclear or Clearstream, Luxembourg as the holder of a particular nominal amount of Notes represented by such global Note must look solely to Euroclear or Clearstream, Luxembourg, as the case may be, for the holder’s share of each payment so made by the Issuer to, or to the order of, the holder of such global Note. No person other than the holder of such global Note shall have any claim against the Issuer in respect of any payments due on the global Note.

Interest on the Notes is payable only outside the United States and its possessions, within the meaning of United States Treasury regulation Section 1.163-5(c)(1)(ii)(A). No interest on the Notes shall be paid into an account maintained by the payee in the United States or mailed to an address in the United States unless the payee is described in United States Treasury regulation Sections 1.163-5(c)(2)(v)(B)(1) or (2).

Notwithstanding the foregoing, payments of principal and interest in respect of global Notes will be made at the specified office of a Paying Agent in the United States (which expression, as used herein, means the United States of America (including the States and the District of Columbia, its territories, its possessions and other areas subject to its jurisdiction)) if:

- (i) the Issuer has appointed Paying Agents with specified offices outside the United States with the reasonable expectation that such Paying Agents would be able to make payments at such specified offices outside the United States of the full amount owing in respect of the Notes in the manner provided above when due;
- (ii) payment of the full amount owing in respect of the Notes at such specified offices outside the United States is illegal or effectively precluded by the imposition of exchange controls or other similar restrictions on the full payment or receipt of interest; and
- (iii) such payment is then permitted under United States law without involving, in the opinion of the Issuer, adverse tax consequences to the Issuer.

**(e) *Payment Day***

Unless specified otherwise in the applicable Final Terms, if the due date for payment of any amount in respect of any Note or Coupon is not a Payment Day, the holder thereof shall not be entitled to payment until the next following Payment Day in the relevant place and shall not be entitled to further interest or other payment in respect of such delay. For these purposes, unless otherwise specified in the applicable Final Terms, “*Payment Day*” means any day which (subject to Condition 8) is both:

- (i) a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in:
  - (A) the relevant place of presentation (if presentation is required); and

- (B) any Additional Financial Centre specified in the applicable Final Terms and London; and
- (ii) (1) in relation to any sum payable in a Specified Currency other than euro or Renminbi, a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in the principal financial centre of the country of the relevant Specified Currency (which if the Specified Currency is Australian dollars or New Zealand dollars shall be Sydney or Auckland, respectively); (2) in relation to any sum payable in euro, a day on which the TARGET System is open; or (3) in relation to any sum payable in Renminbi, a day on which banks and foreign exchange markets are open for business and settlement of Renminbi payments in Hong Kong or such RMB Settlement Centre(s) as may be specified in the applicable Final Terms.

**(f) *Conversion into euro***

Unless specified otherwise in the applicable Final Terms, if the Issuer is due to make a payment in a currency (the “*original currency*”) other than euro in respect of any Note or Coupon and the original currency is not available on the foreign exchange markets due to the imposition of exchange controls, the original currency’s replacement or disuse or other circumstances beyond the Issuer’s control, the Issuer will be entitled to satisfy its obligations in respect of such payment by making payment in euro on the basis of the spot exchange rate (the “*Euro FX Rate*”) at which the original currency is offered in exchange for euro in the London foreign exchange market (or, at the option of the Issuer or its designated Calculation Agent, in the foreign exchange market of any other financial centre which is then open for business) at noon, London time, two Business Days prior to the date on which payment is due or, if the Euro FX Rate is not available on that date, on the basis of a substitute exchange rate determined by the Issuer or by its designated Calculation Agent acting in its absolute discretion from such source(s) and at such time as it may select. For the avoidance of doubt, the Euro FX Rate or substitute exchange rate as aforesaid may be such that the resulting euro amount is zero and in such event no amount of euro or the original currency will be payable. Any payment made in euro or non-payment in accordance with this Condition 5(f) will not constitute an Event of Default under Condition 9.

**(g) *Interpretation of Principal and Interest***

Any reference in these Terms and Conditions to principal in respect of the Notes shall be deemed to include, as applicable:

- (i) any additional amounts which may be payable with respect to principal under Condition 7 or pursuant to any undertakings given in addition thereto or in substitution therefor under Condition 14;
- (ii) the Final Redemption Amount of the Notes;
- (iii) the Early Redemption Amount of the Notes;
- (iv) the Optional Redemption Amount(s) (if any) of the Notes;
- (v) in relation to Zero Coupon Notes, the Amortised Face Amount (as defined in Condition 6(i)(iii)); and
- (vi) any premium and any other amounts (other than interest) which may be payable by the Issuer under or in respect of the Notes.

Any reference in these Terms and Conditions to interest in respect of the Notes shall be deemed to include, as applicable, any additional amounts which may be payable with respect to interest under Condition 7 or pursuant to any undertakings given in addition thereto or in substitution therefor under Condition 14, except as provided in sub-paragraph (i) above.

**(h) *Payment of Reference Currency Equivalent***

Notwithstanding any other provisions in these Terms and Conditions, if by reason of Inconvertibility (as defined below), Non-transferability (as defined below) or Illiquidity (as defined below), the Issuer determines in good faith and in a commercially reasonable manner that it is not able, or it would be impracticable for it, to satisfy payments due under the Notes or Coupons in Renminbi in Hong Kong or such RMB Settlement Centre(s) as may be specified in the applicable Final Terms, the Issuer shall, unless specified otherwise in the applicable Final Terms, settle any such payment in U.S. dollars on the due date for payment at the Reference Currency Equivalent of any such Renminbi denominated amount and give notice thereof (including details thereof) as soon as practicable to the Noteholders in accordance with Condition 16.

“*Illiquidity*” means the general Renminbi exchange market in Hong Kong or such RMB Settlement Centre(s) as may be specified in the applicable Final Terms becomes illiquid as a result of which the Issuer cannot obtain sufficient Renminbi in order to satisfy its obligation to make a payment under the Notes or Coupons;

“*Inconvertibility*” means the occurrence of any event that makes it impossible for the Issuer to convert into Renminbi any amount due in respect of the Notes or Coupons into Renminbi on any payment date in the general Renminbi exchange market in Hong Kong or such RMB Settlement Centre(s) as may be specified in the applicable Final Terms, other than where such impossibility is due solely to the failure of the Issuer to comply with any law, rule or regulation enacted by any Governmental Authority (unless such law, rule or regulation is enacted after the Issue Date of the first Tranche of the relevant Series and it is impossible for the Issuer due to an event beyond its control, to comply with such law, rule or regulation);

“*Non-transferability*” means the occurrence of any event that makes it impossible for the Issuer to deliver Renminbi between accounts inside Hong Kong (or such RMB Settlement Centre(s) as may be specified in the applicable Final Terms) or from an account inside Hong Kong (or such RMB Settlement Centre(s) as may be specified in the applicable Final Terms) to an account outside Hong Kong (or such RMB Settlement Centre(s) as may be specified in the applicable Final Terms) (including where the Renminbi clearing and settlement system for participating banks in Hong Kong (or such RMB Settlement Centre(s) as may be specified in the applicable Final Terms) is disrupted or suspended), other than where such impossibility is due solely to the failure of the Issuer to comply with any law, rule or regulation enacted by any Governmental Authority (unless such law, rule or regulation is enacted after the Issue Date of the first Tranche of the relevant Series and it is impossible for the Issuer due to an event beyond its control, to comply with such law, rule or regulation);

“*Rate Determination Business Day*” means a day (other than a Saturday or Sunday) on which commercial banks are open for general business (including dealings in foreign exchange) in Hong Kong, London, New York City or such other financial centre(s) as may be specified in the applicable Final Terms;

If neither rate is available, the Calculation Agent shall determine the rate taking into consideration all available information which the Calculation Agent deems relevant, including pricing information obtained from the Renminbi non-deliverable exchange market in Hong Kong or elsewhere and the CNY/U.S.\$ exchange rate in the PRC domestic foreign exchange market.

All certificates, communications, opinions, determinations, calculations, quotations and decisions given, expressed, made or obtained for the purposes of the provisions of this Condition 5(h), whether by the Agent or other Calculation Agent, shall (in the absence of negligence, wilful default, bad faith or manifest error) be binding on the Issuer, the Agent, Calculation Agent (if applicable), any other Paying Agents and all Noteholders and Couponholders and (in the case of Registered Notes issued by Toyota Credit Canada Inc.) the TCCI Registrar and the TCCI Transfer Agent or (in the case of Registered Notes issued by Toyota Motor Credit Corporation) the TMCC Registrar and the TMCC Transfer Agent and (in the absence as aforesaid) no liability to the Issuer, the Noteholders or the Couponholders shall attach to the Agent or the Calculation Agent (if applicable) in connection with the exercise or non-exercise by it of its powers, duties and discretions pursuant to the provisions of this Condition 5(h).

### **(b) Redemption for Tax Reasons**

The Issuer may redeem the Notes in whole, but not in part, at any time at their Early Redemption Amount, together, if appropriate, with accrued but unpaid interest to (but excluding) the date fixed for redemption under this Condition 6(b), if the Issuer shall determine that as a result of any change in, or amendment to, the laws (or any regulations or rulings promulgated thereunder) of the jurisdiction in which the Issuer is incorporated or any political subdivision or any authority thereof or therein having power to tax, or any change in the application or official interpretation of such laws, regulations or rulings, which change or amendment becomes effective

on or after the Issue Date of the Notes, the Issuer would be required to pay Additional Amounts, as provided in Condition 7, on the occasion of the next payment due in respect of the Notes.

Notice of intention to redeem Notes will be given at least once in accordance with Condition 16 not less than 30 days nor more than 60 days prior to the date fixed for redemption under this Condition 6(b), provided that no such notice of redemption shall be given earlier than 90 days prior to the effective date of such change or amendment and that at the time notice of such redemption is given, such obligation to pay such Additional Amounts remains in effect. If the Special Redemption Amount is specified in the applicable Final Terms as the Optional Redemption Amount, the Optional Redemption Amount with respect to the Notes shall be equal to the higher of:

- (a) 100 per cent. of the nominal amount outstanding of the Notes being redeemed; or
- (b) the nominal amount outstanding of the Notes to be redeemed multiplied by the price (as reported to the Issuer and the Calculation Agent by the Financial Adviser and expressed as a percentage) that provides for a Gross Redemption Yield on such Notes on the Reference Date equal (after adjusting for any difference in compounding frequency) to the Gross Redemption Yield provided by the Reference Bond(s) based on the Reference Bond Rate at the Specified Time on the Reference Date plus the Redemption Margin (if any).

Where:

“*Financial Adviser*” means a financial adviser selected by the Calculation Agent after consultation with the Issuer.

“*Gross Redemption Yield*” means a yield expressed as a percentage and calculated by the Financial Adviser in accordance with generally accepted market practice.

“*Canada Yield*” means, on any date, the arithmetic average (rounded to the nearest 1/100 of 1 per cent.) of the yield to maturity, quoted by two nationally recognised Canadian Government securities dealers having an office in the City of Toronto selected by the Issuer (the “*Canadian Financial Advisers*”) on such date as the yields which a non-callable Government of Canada Bond would produce, if issued in Canadian dollars in Canada on such date, at 100 per cent. of its principal amount with a term to maturity

approximately equal to the remaining term to the Par Call Period Commencement Date;  
and

“*Toronto Business Day*” means a day on which commercial banks and foreign exchange markets settle payments and are open for general business in the City of Toronto.

The Issuer shall request the Canadian Financial Advisers to provide a calculation of the Canada Yield.

All certificates, communications, opinions, determinations, calculations, quotations and decisions given, expressed, made or obtained for the purposes of the provisions of this Condition 6(f), by the Financial Adviser or Canadian Financial Advisers, shall (in the absence of negligence, wilful default, bad faith or manifest error) be binding on the Issuer, the Agent, Calculation Agent (if applicable), any other Paying Agents and all Noteholders and Couponholders and (in the case of Registered Notes issued by Toyota Credit Canada Inc.) the TCCI Registrar and the TCCI Transfer Agent or (in the case of Registered Notes issued by Toyota Motor Credit Corporation) the TMCC Registrar and the TMCC Transfer Agent and (in the absence as aforesaid) no liability to the Issuer, the Noteholders or the Couponholders shall attach to the Financial Adviser or Canadian Financial Advisers in connection with the exercise or non-exercise by it of its powers, duties and discretions pursuant to the provisions of this Condition 6(f).

**(g) *Partial Redemption***

In the event of redemption of some only of the Notes under Condition 6(d) or Condition 6(f), the Notes to be redeemed (“*Redeemed Notes*”) will be selected individually by lot, in the case of Redeemed Notes represented by definitive Notes, and in accordance with the rules of Euroclear and/or Clearstream, Luxembourg (to be reflected in the records of Euroclear and Clearstream, Luxembourg as either a pool factor or a reduction in nominal amount, at their discretion), in the case of Redeemed Notes represented by a global Note, not more than 60 days prior to the date fixed for redemption (such date of selection being hereinafter called the “*Selection Date*”). In the case of Redeemed Notes represented by definitive Notes, a list of such Redeemed Notes will be published or notified in accordance with Condition 16 not less than 30 days prior to the date fixed for redemption, or such other period as is specified in the applicable Final Terms. No exchange of the relevant global Note will be permitted during the period from, and including, the Selection Date to and including the date fixed for redemption pursuant to this Condition 6(g) and notice to that effect shall be given by the Issuer to the Noteholders in accordance with Condition 16 at least 10 days prior to the Selection Date. If an Optional Redemption Date would otherwise fall on a day which is not a Business Day (as defined in Condition 4(b)(i)), it shall be subject to adjustment in accordance with the Business Day Convention applicable to the Notes or such other Business Day Convention specified in the applicable Final Terms.

**(h) *Redemption at the Option of the Noteholders (“Investor Put Option”)***

Unless otherwise specified in the applicable Final Terms, the Notes will not be subject to repayment at the option of Noteholders. If the Investor Put Option is specified as being applicable in the applicable Final Terms, upon the holder of any Note giving to the Issuer in accordance with Condition 16 not less than 30 nor more than 60 days’ notice (which notice shall be irrevocable) the Issuer will, upon the expiry of such notice, redeem, in whole (but not in part), such Note on the Optional Redemption Date and at the Optional Redemption Amount specified in the applicable Final Terms together, if appropriate, with interest accrued but unpaid to (but excluding) the Optional Redemption Date.

If a Note is in definitive form and held outside Euroclear and Clearstream, Luxembourg, to exercise the right to require redemption of the Note the holder of the Note must deliver such Note at the specified office of any Paying Agent (other than the TCCI Transfer Agent or the TMCC Transfer Agent), in the case of Bearer Notes, or the TCCI Registrar or the TCCI Transfer Agent,

**(i) *Early Redemption Amounts***

For the purpose of Condition 6(b) and Condition 9, the Notes will be redeemed at an amount (the “*Early Redemption Amount*”) calculated as follows:

- (i) in the case of Notes with a Final Redemption Amount equal to the Calculation Amount, at the Final Redemption Amount thereof; or

- (iii) in the case of Zero Coupon Notes, at an amount (the “*Amortised Face Amount*”) equal to:
  - (A) the sum of (x) the product of (i) either the Calculation Amount or the Specified Denomination as specified in the applicable Final Terms and (ii) the Reference Price specified in the applicable Final Terms (the “*Reference Amount*”) and (y) the product of the Accrual Yield specified in the applicable Final Terms (compounded annually) being applied to the Reference Amount from (and including) the Issue Date of the first Tranche of Notes to (but excluding) the date fixed for redemption or (as the case may be) the date upon which such Note becomes due and repayable; or
  - (B) if the amount payable in respect of any Zero Coupon Note upon redemption of such Zero Coupon Note pursuant to Condition 6(b) or upon its becoming due and repayable as provided in Condition 9 is not paid or available for payment when due, the amount due and repayable in respect of such Zero Coupon Note shall be the Amortised Face Amount of such Zero Coupon Note calculated as provided above as though the references in sub-paragraph (A) to the date fixed

for redemption or the date upon which the Zero Coupon Note becomes due and repayable were replaced by references to the date (the “*Reference Date*”) which is the earlier of:

- (1) the date on which all amounts due in respect of the Note have been paid; and
- (2) the date on which the full amount of the moneys repayable has been received by the Agent and notice to that effect has been given in accordance with Condition 16.

The calculation of the Amortised Face Amount in accordance with this subparagraph (B) will continue to be made, after as well as before judgment, until the Reference Date unless the Reference Date falls on or after the Maturity Date, in which case the amount due and repayable shall be the nominal amount of such Note together with interest at a rate per annum equal to the Accrual Yield.

Where any such calculation is to be made for a period which is not a whole number of years, it shall be made (I) in the case of a Zero Coupon Note other than a Zero Coupon Note payable in euro, on the basis of a 360-day year consisting of 12 months of 30 days each (or 365/366 days in the case of Notes denominated in Sterling) and, in the case of an incomplete month, the number of days elapsed or (II) in the case of a Zero Coupon Note payable in euro, on the basis of the actual number of days elapsed divided by 365 (or, if any of the days elapsed falls in a leap year, the sum of (x) the number of those days falling in a leap year divided by 366 and (y) the number of those days falling in a non-leap year divided by 365).

**(j) Purchases**

The Issuer or any of its subsidiaries may at any time purchase Notes (provided that, in the case of definitive Notes, all unmatured Coupons appertaining thereto are purchased therewith) at any price in the open market or otherwise. If purchases are made by tender, tenders must be available to all Noteholders alike. Where the Issuer is Toyota Credit Canada Inc. or Toyota Motor Credit Corporation, such Notes shall be surrendered (in the case of Bearer Notes) to any Paying Agent, or (in the case of Registered Notes issued by Toyota Credit Canada Inc.) the TCCI Registrar or TCCI Transfer Agent, or (in the case of Registered Notes issued by Toyota Motor Credit Corporation) the TMCC Registrar or TMCC Transfer Agent, for cancellation and, where the Issuer is Toyota Motor Finance (Netherlands) B.V. or Toyota Finance Australia Limited, such Notes may, at the option of the Issuer, either be (i) resold or reissued, or held by the Issuer for subsequent resale or reissuance, or (ii) surrendered to any Paying Agent for cancellation, in which event such Notes and Coupons may not be resold or reissued.

**(k) Cancellation**

All Notes which are redeemed will forthwith be cancelled (together with all unmatured Coupons attached thereto or surrendered therewith at the time of redemption). All Notes so cancelled and any of the Notes purchased and cancelled pursuant to Condition 6(j) (together, in the case of definitive Notes, with all unmatured Coupons cancelled therewith) shall be forwarded to the Agent and cannot be reissued or resold. If any Note is purchased and cancelled without all unmatured Coupons appertaining thereto, the Issuer shall make payment in respect of any such missing Coupon in accordance with Condition 5 as if the relevant Note had remained outstanding for the period to which such Coupon relates.

## 7. Taxation – Additional Amounts

### (a) *Toyota Motor Finance (Netherlands) B.V., Toyota Credit Canada Inc. or Toyota Finance Australia Limited*

This Condition 7(a) only applies to Notes issued by Toyota Motor Finance (Netherlands) B.V., Toyota Credit Canada Inc. or Toyota Finance Australia Limited.

Unless otherwise specified in the applicable Final Terms, where the Issuer is Toyota Motor Finance (Netherlands) B.V., Toyota Credit Canada Inc. or Toyota Finance Australia Limited, all payments of principal and interest in respect of the Notes issued by the Issuer will be made without withholding or deduction for or on account of any present or future taxes or duties of whatever nature imposed or levied by or on behalf of the jurisdiction in which the Issuer is incorporated or any province, territory or other political subdivision or any authority thereof or therein having power to tax, unless such withholding or deduction is required by law. In such event, the Issuer will pay such additional amounts (the “*Additional Amounts*”) as shall be necessary in order that the net amounts receivable by the holders of the Notes or Coupons after such withholding or deduction shall equal the respective amounts of principal and interest which would otherwise have been receivable in respect of the Notes or Coupons, as the case may be, in the absence of such withholding or deduction; except that no such Additional Amounts shall be payable with respect to any Note or Coupon:

- (i) where the Issuer is Toyota Motor Finance (Netherlands) B.V., where the Noteholder or Couponholder of which (a) would be able to avoid such withholding or deduction or is liable to such withholding or deduction at a reduced rate by making a declaration of non-residence or producing other evidence establishing that such payment may be made without withholding or deduction or with such deduction or withholding at a reduced rate to the Issuer or the relevant tax authority; or (b) is liable for such taxes or duties in respect of such Note or Coupon by reason of their having some connection with the Netherlands other than the mere holding of such Note or Coupon; or
- (ii) where the Issuer is Toyota Credit Canada Inc.:
  - (A) the holder of which is liable for such taxes or duties in respect of such Note or Coupon by reason of their having some connection with Canada other than the mere holding of such Note or Coupon or the receipt of principal or interest in respect thereof;
  - (B) the Issuer does not deal at arm’s length (within the meaning of the Income Tax Act (Canada)) with either: (1) the holder of such Note or Coupon, or (2) in the case where a payment is made to a holder of a Coupon, the holder of the related Note (as applicable);
  - (C) the holder of which is, or does not deal at arm’s length with any person who is, a “*specified shareholder*” of Toyota Credit Canada Inc. for the purposes of the thin capitalisation rules in the Income Tax Act (Canada); or
  - (D) the holder of which is a person who is a “*specified entity*” (as defined in subsection 18.4(1) of the Income Tax Act (Canada)) in respect of the Issuer;
- (iii) where the Issuer is Toyota Finance Australia Limited, the holder of which is liable for such taxes or duties in respect of such Note or Coupon:
  - (A) by reason of the holder (or a third party acting on its behalf) having some connection with the Commonwealth of Australia or any political subdivision

thereof or therein other than the mere holding of such Note or Coupon or the receipt of payment in respect thereof; or

- (B) by reason of the holder being a person who could lawfully avoid (but has not so avoided) such withholding or deduction by complying or procuring that any third party complies with any statutory requirements or by making or procuring that any third party makes a declaration of non-residence or other similar claim for exemption to any tax authority in the place where the relevant Note or Coupon is presented for payment; or
  - (C) by reason of the holder (or a person with an interest in a Note) being an Offshore Associate of the Issuer acting other than in the capacity of a clearing house, paying agent, custodian, funds manager or responsible entity of a registered scheme within the meaning of the Corporations Act 2001 of Australia. “*Offshore Associate*” means an associate (as defined in Section 128F(9) of the Income Tax Assessment Act 1936 of Australia (the “*Australian Tax Act*”)) of the Issuer that is either:
    - (a) a non-resident of Australia which does not acquire the Notes in carrying on a business at or through a permanent establishment in Australia; or
    - (b) a resident of Australia that acquires the Notes in carrying on a business at or through a permanent establishment outside Australia; or
  - (D) in a case where Toyota Finance Australia Limited receives a notice or direction under Section 260-5 of Schedule 1 to the Taxation Administration Act 1953 of Australia, Section 255 of the Australian Tax Act or any analogous provisions, any amounts paid or deducted from sums payable to the holder by Toyota Finance Australia Limited in compliance with such notice or direction; or
- (iv) in such other circumstances as may be specified in the applicable Final Terms; or
  - (v) presented for payment more than 30 days after the Relevant Date (as defined in Condition 8) except to the extent that the holder thereof would have been entitled to such Additional Amounts on presenting the same, or making demand, for payment on such thirtieth day assuming that day to have been a Payment Day (as defined in Condition 5(e)); or
  - (vi) where such withholding or deduction is required pursuant to Sections 1471 through to 1474 of the U.S. Internal Revenue Code of 1986, as amended, any regulations or other guidance promulgated thereunder or any official interpretations thereof (including under an agreement described under Section 1471(b)), or pursuant to any intergovernmental agreement implementing an alternative approach thereto or any implementing law in relation thereto.

Notwithstanding any other provision of these Terms and Conditions, where the Issuer is Toyota Finance Australia Limited, if a Note or Coupon is presented for payment or held by, or by a third party on behalf of, a person who is a resident of Australia or a non-resident who is engaged in carrying on business in Australia at or through a permanent establishment of that non-resident in Australia (the expressions “*resident of Australia*”, “*non-resident*” and “*permanent establishment*” having the meanings given to them by the Australian Tax Act) if, and to the extent that, section 126 of the Australian Tax Act (or any equivalent provision) requires the Issuer to pay income tax in respect of interest payable on the Note or Coupon and the income tax would not be payable were the person not a “*resident of Australia*” or “*non-resident*” so engaged in carrying on business, the Issuer shall be entitled to make any withholding or deduction pursuant to section 126

of the Australian Tax Act and will have no obligation to pay additional amounts or otherwise indemnify any person for any such withholding or deduction.

**(b) *Toyota Motor Credit Corporation***

This Condition 7(b) only applies to Notes issued by Toyota Motor Credit Corporation.

Except as specifically provided by this Condition 7(b), all payments of principal and interest in respect of the Notes issued by the Issuer will be made without withholding or deduction for or on account of any present or future taxes, assessments or duties of whatever nature imposed or levied by or on behalf of the United States or any political subdivision or any authority thereof or therein having power to tax (“*Tax*”), unless such withholding or deduction is required by law. In such event, the Issuer will, subject to certain limitations and exceptions (set forth below), pay to a Noteholder or Couponholder who is a Non-U.S. Holder (as defined below) such additional amounts (the “*Additional Amounts*”) as shall be necessary in order that the net amounts receivable by the holders of the Notes or Coupons after such withholding or deduction shall equal the respective amounts of principal and interest which would otherwise have been receivable in respect of the Notes or Coupons, as the case may be, in the absence of such withholding or deduction; except that the Issuer shall not be required to make any payment of Additional Amounts for or on account of:

- (i) any Tax which would not have been imposed but for (A) the existence of any present or former connection between such Noteholder or Couponholder or any beneficial owner of a Note or Coupon (or between a fiduciary, settlor, beneficiary, member or shareholder of, or possessor of a power over, such Noteholder, Couponholder or beneficial owner, if such Noteholder, Couponholder or beneficial owner is an estate, trust, partnership or corporation) and the United States, including, without limitation, being or having been a citizen or resident thereof or being or having been present or engaged in a trade or business therein or having had a permanent establishment therein, or (B) such Noteholder’s, Couponholder’s or beneficial owner’s past or present status as a passive foreign investment company, controlled foreign corporation or a private foundation (as those terms are defined for United States tax purposes) or as a corporation which accumulates earnings to avoid U.S. federal income tax;
- (ii) any estate, inheritance, gift, sales, transfer, personal property or similar Tax;
- (iii) any Tax that would not have been so imposed but for the presentation of a Note or Coupon for payment on a date more than 15 days after the date on which such payment became due and payable or the date on which payment thereof is duly provided for, whichever occurs later;
- (iv) any Tax which is payable otherwise than by deduction or withholding from payments of principal or interest in respect of the Notes or Coupons;
- (v) any Tax imposed on interest received or beneficially owned by (A) a 10 per cent. shareholder of the Issuer within the meaning of U.S. Internal Revenue Code Section 871(h)(3)(B) or Section 881(c)(3)(B) or (B) a bank extending credit pursuant to a loan agreement entered into in the ordinary course of its trade or business;
- (vi) any Tax required to be withheld or deducted by any Paying Agent from any payment of principal or interest in respect of any Note or Coupon, if such payment can be made without such withholding or deduction by any other Paying Agent with respect to the Notes;

- (vii) any Tax which would not have been imposed but for the failure to comply with certification, information, documentation, or other reporting requirements concerning the nationality, residence, identity or connection with the United States of the Noteholder or Couponholder or of the beneficial owner of such Note or Coupon, if such compliance is required by statute or by regulation of the United States Treasury Department as a precondition to relief or exemption from such Tax including, in the case of Notes with a maturity of more than 183 days (taking into consideration unilateral rights to roll or extend), failure of the Noteholder or Couponholder or of the beneficial owner of such Note or Coupon, to provide such certification of non-U.S. beneficial ownership as may be required from time to time under applicable rules, including, if necessary, a valid U.S. Internal Revenue Service Form W8-BEN or W8-BEN-E;
- (viii) any Tax imposed with respect to a payment on a Note or Coupon to any Noteholder or Couponholder who is a fiduciary or partnership or other than the sole beneficial owner of the Note or Coupon to the extent a beneficiary or settlor with respect to such fiduciary, a member of such partnership or a beneficial owner of the Note or Coupon would not have been entitled to payment of the Additional Amounts, had such beneficiary, settlor, member or beneficial owner been the holder of the Note or Coupon;
- (ix) any Tax required to be withheld or deducted pursuant to Sections 1471 through to 1474 of the U.S. Internal Revenue Code of 1986, as amended, any regulations or other guidance promulgated thereunder or any official interpretations thereof (including under an agreement described under Section 1471(b)), or pursuant to any intergovernmental agreement implementing an alternative approach thereto or any implementing law in relation thereto; or
- (x) any combination of items (i), (ii), (iii), (iv), (v), (vi), (vii), (viii) and (ix) above.

The term “*Non-U.S. Holder*” means any Holder that is not for U.S. federal income tax purposes (i) a citizen or resident of the United States, (ii) a corporation, partnership or other entity organised in or under the laws of the United States or its political subdivisions, (iii) a trust subject to the control of a U.S. person and the primary supervision of a U.S. court, or (iv) an estate the income of which is subject to U.S. federal income taxation regardless of its source.

## **8. Prescription**

Unless provided otherwise in the applicable Final Terms, Notes and Coupons will become void unless claims in respect of principal and/or interest are made within a period of five years after the Relevant Date (as defined below) therefor.

There shall not be included in any Coupon sheet issued on exchange of a Talon any Coupon the claim for payment in respect of which would be void pursuant to this Condition 8 or Condition 5(b) or any Talon which would be void pursuant to Condition 5(b).

Any moneys paid by the Issuer to the Agent, or (in the case of Registered Notes issued by Toyota Credit Canada Inc.) the TCCI Registrar or the TCCI Transfer Agent, or (in the case of Registered Notes issued by Toyota Motor Credit Corporation) the TMCC Registrar or the TMCC Transfer Agent, for the payment of principal or interest in respect of the Notes and remaining unclaimed for a period of five years shall forthwith be repaid to the Issuer. All liability of the Issuer, the Agent, the TCCI Registrar or the TCCI Transfer Agent, the TMCC Registrar or the TMCC Transfer Agent with respect thereto shall cease when the Notes and Coupons become void.

As used herein, the “*Relevant Date*” means the date on which such payment first becomes due, except that, if the full amount of the moneys payable has not been duly received by the Agent

or, as the case may be, the Registrar on or prior to such due date, it means the date on which, the full amount of such moneys having been so received, notice to that effect is duly given to the Noteholders in accordance with Condition 16.

## 9. Events of Default

- (a) In the event that (each of (i) through to (iv) below, an “*Event of Default*”):
- (i) default is made by the Issuer in the payment when due of any principal or interest in respect of any Note and the default continues unremedied for a period of 14 days after the date when due; or
  - (ii) default is made by the Issuer in the performance or observance of any covenant, condition or provision contained in these Terms and Conditions applicable to the Notes or of any covenant, condition or provision for the benefit of Noteholders contained in the Agency Agreement and on its part to be performed or observed (other than the covenant to pay the principal and interest in respect of the Notes) and at the expiration of any applicable grace period therefor such covenant, condition or provision is not performed or observed in the period of 60 consecutive days after the date on which written notice of such default, requiring the Issuer to perform or observe such covenant, condition or provision, first shall have been given to the Issuer and the Agent, or (in the case of Registered Notes issued by Toyota Credit Canada Inc.) the TCCI Registrar and the TCCI Transfer Agent, or (in the case of Registered Notes issued by Toyota Motor Credit Corporation) the TMCC Registrar and the TMCC Transfer Agent, by the holders of not less than 25 per cent. in aggregate nominal amount of Notes then outstanding; or
  - (iii) the entry by a court having competent jurisdiction of (a) a decree or order granting relief in respect of the Issuer in an involuntary proceeding under any applicable bankruptcy, insolvency or other similar law and such decree or order shall remain unstayed and in effect for a period of 60 consecutive days; or (b) a decree or order adjudging the Issuer to be insolvent, or approving a petition seeking reorganisation, arrangement, adjustment or composition of the Issuer and such decree or order shall remain unstayed and in effect for a period of 60 consecutive days; or (c) a final and non-appealable order appointing a custodian, receiver, liquidator, assignee, trustee or other similar official of the Issuer or of any substantial part of the property of the Issuer, or ordering the winding up or liquidation of the Issuer, in each case of (a), (b) or (c) otherwise than for the purposes of or pursuant to and followed by a consolidation, amalgamation, merger, reconstruction or reorganisation in which a continuing corporation effectively assumes all obligations of the Issuer under the Notes or the terms of which have previously been approved by the written consent of holders of a majority in aggregate nominal amount of the Notes then outstanding affected thereby, or by resolution adopted by the holders of a majority in aggregate nominal amount of such Notes then outstanding present or represented at a meeting of the holders of the Notes affected thereby at which a quorum is present, as provided in the Agency Agreement; or
  - (iv) the commencement by the Issuer of a voluntary proceeding under any applicable bankruptcy, insolvency or other similar law or the consent of the Issuer to the entry of a decree or order for relief in an involuntary proceeding under any applicable bankruptcy, insolvency or other similar law, or the consent by the Issuer to the appointment of or taking possession by a custodian, receiver, liquidator, assignee, trustee or similar official of the Issuer or for any substantial part of the property of the Issuer or the making by the Issuer of a general assignment for the benefit of creditors, or the Issuer failing generally to pay its debts as they become due, or the taking of corporate action by the Issuer in furtherance of any such action (in each

case otherwise than for the purposes of such a consolidation, amalgamation, merger, reconstruction or reorganisation as is referred to in paragraph (iii)),

then the holder of any Note may, at its option, declare the principal of such Note and the interest, if any, accrued but unpaid thereon to be due and payable immediately by written notice to the Issuer and the Agent, or (in the case of Registered Notes issued by Toyota Credit Canada Inc.) the TCCI Registrar and the TCCI Transfer Agent, or (in the case of Registered Notes issued by Toyota Motor Credit Corporation) the TMCC Registrar and the TMCC Transfer Agent, and unless all such defaults shall have been remedied by the Issuer (or by the Parent or TFS pursuant to the relevant Credit Support Agreement) prior to receipt of such written notice, the principal of such Note and the interest, if any, accrued but unpaid thereon shall become and be immediately due and payable.

At any time after such declaration of acceleration with respect to the Notes has been made and before a judgment or decree for payment of the money due with respect to any Note has been obtained by any Noteholder, such declaration and its consequences may be rescinded and annulled upon the written consent of holders of a majority in aggregate nominal amount of the Notes then outstanding affected thereby, or by resolution adopted by the holders of a majority in aggregate nominal amount of the Notes then outstanding present or represented at a meeting of holders of the Notes affected thereby at which a quorum is present, as provided in the Agency Agreement, if:

- (1) the Issuer has paid to, or deposited with, the Agent, or (in the case of Registered Notes issued by Toyota Credit Canada Inc.) the TCCI Transfer Agent, or (in the case of Registered Notes issued by Toyota Motor Credit Corporation) the TMCC Transfer Agent, a sum sufficient to pay:
  - (A) all overdue payments of interest on the Notes; and
  - (B) the principal of the Notes which has become due otherwise than by such declaration of acceleration; and
- (2) all Events of Default with respect to the Notes, other than the non-payment of the principal of such Notes which has become due solely by such declaration of acceleration, have been either (i) remedied or (ii) waived as provided in paragraph (b) below.

No such rescission shall affect any subsequent default or impair any right consequent thereon.

(b) Any Events of Default by the Issuer, other than the events described in paragraph (a)(i) above or in respect of where a default is made by the Issuer in the performance or observance of any covenant, condition or provision described in paragraph (a)(ii) above which cannot be modified and amended without the written consent of the holders of all outstanding Notes, may be waived by the written consent of holders of a majority in aggregate nominal amount of the Notes then outstanding affected thereby, or by resolution adopted by the holders of a majority in aggregate nominal amount of the Notes then outstanding present or represented at a meeting of the holders of the Notes affected thereby at which a quorum is present, as provided in the Agency Agreement (provided that such resolution shall be approved by the holders of not less than 25 per cent. of the aggregate nominal amount of Notes then outstanding affected thereby).

## **10. Replacement of Notes, Coupons and Talons**

The Issuer agrees to perform and observe the obligations imposed upon it under the Agency Agreement and (in respect of Registered Notes issued by Toyota Credit Canada Inc.) the TCCI Note Agency Agreement and (in respect of Notes issued by Toyota Motor Credit Corporation) the TMCC Note Agency Agreement and to use reasonable efforts to cause the Agent and any other Paying Agents to perform and observe the obligations imposed upon them under the Agency Agreement and (in respect of Registered Notes issued by Toyota Credit Canada Inc.) the TCCI Registrar and the TCCI Transfer Agent, to perform and observe the obligations imposed on them under the TCCI Note Agency Agreement and (in respect of Registered Notes issued by Toyota Motor Credit Corporation) the TMCC Registrar and the TMCC Transfer Agent, to perform and observe the obligations imposed on them under the TMCC Note Agency Agreement. The Agency Agreement and (in respect of Registered Notes issued by Toyota Credit Canada Inc.) the TCCI Note Agency Agreement and (in respect of Registered Notes issued by Toyota Motor Credit Corporation) the TMCC Note Agency Agreement, contain provisions for the indemnification of the Agent and any other Paying Agents, the TCCI Registrar and the TCCI Transfer Agent and the TMCC Registrar and the TMCC Transfer Agent, respectively, and for relief from responsibility in certain circumstances, and entitle any of them to enter into business transactions with the Issuer without being liable to account to the Noteholders or the Couponholders for any resulting profit.

The Issuer is entitled to vary or terminate the appointment of any Paying Agent appointed under the terms of the Agency Agreement, or the TCCI Registrar or the TCCI Transfer Agent appointed under the terms of the TCCI Note Agency Agreement, or the TMCC Registrar or the TMCC Transfer Agent appointed under the terms of the TMCC Note Agency Agreement, and/or appoint additional or other Paying Agents or Transfer Agents and/or approve any change in the specified office through which any Paying Agent, TCCI Registrar, TCCI Transfer Agent, TMCC Registrar or TMCC Transfer Agent acts, provided that:

In addition, the Issuer shall forthwith appoint a Paying Agent having a specified office in the United States only in the circumstances described in the final paragraph of Condition 5(d). Any variation, termination, appointment or change shall only take effect (other than in the case of insolvency, when it shall be of immediate effect) after not less than 30 or more than 45 days' prior notice thereof shall have been given to the Noteholders in accordance with Condition 16.

In addition, in relation to Registered Notes issued or to be issued by it, Toyota Credit Canada Inc. or Toyota Motor Credit Corporation, as the case may be, is entitled to vary or terminate the appointment of any registrar, transfer agent or paying agent and/or appoint additional transfer agents, paying agents and/or approve any change in the specified office through which any such registrar, transfer agent or paying agent acts, provided that there will at all times be a registrar and a paying agent capable of making payments in the Specified Currency and (in the case of global Registered Notes) to the clearing system specified in the applicable Final Terms.

The Agency Agreement or the TCCI Note Agency Agreement or the TMCC Note Agency Agreement contains provisions permitting any entity into which any Paying Agent and (in the case of the TCCI Note Agency Agreement and the TMCC Note Agency Agreement only) any registrar, paying agent or transfer agent is merged or converted or with which it is consolidated or to which it transfers all or substantially all of its assets to become the successor paying agent, registrar or transfer agent (as appropriate).

## **12. Exchange of Talons**

On and after the Interest Payment Date, on which the final Coupon comprised in any Coupon sheet matures, the Talon (if any) forming part of such Coupon sheet may be surrendered at the specified office of the Agent or any other Paying Agent in exchange for a further Coupon sheet including (if such further Coupon sheet does not include Coupons to (and including) the final date for the payment of interest due in respect of the Note to which it appertains) a further Talon, subject to the provisions of Condition 8. Each Talon shall, for the purposes of these Terms and Conditions, be deemed to mature on the Interest Payment Date on which the final Coupon comprised in the relative Coupon sheet matures.

## **13. Consolidation or Merger**

The Issuer may consolidate with, or sell, lease or convey all or substantially all of its assets as an entirety to, or merge with or into any other corporation provided that in any such case, (i) either the Issuer shall be the continuing corporation, or the successor corporation shall be a corporation organised and existing under the laws of the jurisdiction in which the Issuer is incorporated or any province, territory, state or other political subdivision thereof and such successor corporation shall expressly assume the due and punctual payment of the principal of and interest (including Additional Amounts as provided in Condition 7) on all the Notes and Coupons, according to their tenor, and the due and punctual performance and observance of all of the covenants and conditions of the Notes to be performed by the Issuer by an amendment to the Agency Agreement or, as the case may be, the TCCI Note Agency Agreement or the TMCC Note Agency Agreement, executed by such successor corporation, the Issuer and the Agent or the TCCI Registrar and the TCCI Transfer Agent or the TMCC Registrar and the TMCC Transfer Agent, as the case may be, and (ii) immediately after giving effect to such transaction, no Event of Default under Condition 9, and no event which, with notice or lapse of time or both, would become such an Event of Default shall have happened and be continuing. In case of any such consolidation, merger, sale, lease or conveyance and upon any such assumption by the successor corporation, such successor corporation shall succeed to and be substituted for the Issuer, with the same effect as if it had been named herein as the Issuer, and the predecessor corporation, except in the event of

a conveyance by way of lease, shall be relieved of any further obligation under the Notes and the Agency Agreement or, as the case may be, the TCCI Note Agency Agreement or the TMCC Note Agency Agreement.

#### 14. Substitution

The Issuer (the “Retiring Issuer” and the expressions “Issuer” and “Retiring Issuer” include any previous relevant Substitute Issuer (as defined below) under this Condition 14) may, without the consent of the relevant Noteholders or Couponholders, substitute the Parent or any subsidiary of the Parent (including TFS) in place of the Issuer as the principal debtor under the Notes, the relative Coupons, the Agency Agreement and (in the case of Registered Notes issued by Toyota Credit Canada Inc.) the TCCI Note Agency Agreement and (in the case of Registered Notes issued by Toyota Motor Credit Corporation) the TMCC Note Agency Agreement (the “Substitute Issuer”) provided that:

(a) in the case of the substitution of a subsidiary of the Parent (other than TFS or any other Issuer) in place of the Retiring Issuer, a Credit Support Agreement, in the case of a subsidiary of TFS, between such subsidiary and TFS being entered into, and the TMC Credit Support Agreement applying, *mutatis mutandis* on the terms of the relevant Credit Support Agreement and the TMC Credit Support Agreement, respectively and, in the case of a subsidiary of the Parent (and not being also a subsidiary of TFS) a Credit Support Agreement between such subsidiary and the Parent being entered into *mutatis mutandis* on the terms of the TMC Credit Support Agreement;

(c) without prejudice to the generality of paragraph (b) above, where the Substitute Issuer is subject generally to a taxing jurisdiction differing from or in addition to the taxing jurisdiction to which the Retiring Issuer for which it shall have been substituted under this Condition 14 was subject, the Substitute Issuer shall undertake or covenant in the Substitution Documents in terms corresponding to the provisions of Condition 7 with the substitution for or addition to the references to the taxing jurisdiction to which the Retiring Issuer, as the case may be, was subject of references to the taxing jurisdiction or additional taxing jurisdiction to which such Substitute Issuer, as the case may be, is subject and in such case, Condition 7 shall be deemed to be modified accordingly when such substitution takes effect;

(d) the Substitution Documents shall contain a warranty and representation (i) that the Substitute Issuer and the Retiring Issuer have obtained all necessary governmental and regulatory approvals and consents for the substitution and that the Substitute Issuer has obtained all necessary governmental and regulatory approvals and consents for the performance by the Substitute Issuer of its obligations under the Substitution Documents and that all such approvals and consents are in full force and effect, (ii) that the obligations assumed by the Substitute Issuer in respect of the relevant Notes and Coupons, the Agency Agreement and (in the case of Registered Notes issued by Toyota Credit Canada Inc.) the TCCI Note Agency Agreement and (in the case of Registered Notes issued by Toyota Motor Credit Corporation) the TMCC Note Agency Agreement are, in each case, valid and binding in accordance with their respective terms and enforceable by each relevant Noteholder, and (iii) the Substitute Issuer is solvent;

(e) any credit rating obtained by the Retiring Issuer from a nationally recognised statistical rating organisation which applies to the relevant Notes will not be downgraded as a result of the substitution;

(f) each stock exchange on which the relevant Notes are admitted to trading shall have confirmed that, following the proposed substitution of the Substitute Issuer, such Notes will continue to be admitted to trading on such stock exchange;

(g) where the Substitute Issuer is not a company incorporated in the United Kingdom, the Substitute Issuer shall have appointed a process agent as its agent in England to receive service of process on its behalf in relation to any legal action or proceedings arising out of or in connection with the relevant Notes and Coupons, the Agency Agreement and (in the case of Registered Notes issued by Toyota Credit Canada Inc.) the TCCI Note Agency Agreement and (in the case of Registered Notes issued by Toyota Motor Credit Corporation) the TMCC Note Agency Agreement;

(h) in the case of substitution of Toyota Credit Canada Inc. or a Canadian subsidiary of the Parent (“*Canadian Replacement Subsidiary*”) in place of the Retiring Issuer, no withholding or other taxes will be payable or required to be withheld by any such Substitute Issuer other than in respect of a holder of the relevant Notes or Coupons that: (i) does not deal at arm’s length (within the meaning of the Income Tax Act (Canada)) with Toyota Credit Canada Inc. or the Canadian Replacement Subsidiary (as applicable), (ii) is a “*specified entity*” (as defined in subsection 18.4(1) of the Income Tax Act (Canada)) in respect of Toyota Credit Canada Inc. or the Canadian Replacement Subsidiary (as applicable) or (iii) is, or does not deal at arm’s length with any person who is, a “*specified shareholder*” of Toyota Credit Canada Inc. or the Canadian Replacement Subsidiary (as applicable) for the purposes of the thin capitalisation rules in the Income Tax Act (Canada);

(i) legal opinions shall have been delivered to the Agent or (in the case of Registered Notes issued by Toyota Credit Canada Inc.) the TCCI Registrar or (in the case of Registered Notes issued by Toyota Motor Credit Corporation) the TMCC Registrar (from whom copies will be available) (in each case dated not more than three days prior to the intended date of substitution) from legal advisers of good standing selected by the Substitute Issuer (i) in each jurisdiction in which the Substitute Issuer and the Retiring Issuer are incorporated and in England confirming, as appropriate, that upon the substitution taking place, the Substitution Documents constitute legal, valid and binding obligations of the Substitute Issuer and the relevant Notes and Coupons, the Agency Agreement and (in the case of Registered Notes issued by Toyota Credit Canada Inc.) the TCCI Note Agency Agreement and (in the case of Registered Notes issued by Toyota Motor Credit Corporation) the TMCC Note Agency Agreement, are legal, valid and binding obligations of the Substitute Issuer enforceable in accordance with their terms; and (ii) in Japan and in the jurisdiction in which the Substitute Issuer is incorporated, in the event any Credit Support Agreements are entered into under paragraph (a) above, confirming that any such Credit Support Agreements constitute legal, valid and binding obligations of the Parent, TFS and the Substitute Issuer, as the case may be, enforceable in accordance with its terms; and

(j) in connection with any such substitution, the Substitute Issuer and the Retiring Issuer shall not have regard to the consequences of such substitution for individual Noteholders resulting from their being for any purpose domiciled or resident in, or otherwise connected with, or subject to the jurisdiction of, any particular territory and no person shall be entitled to claim whether from the Substitute Issuer, the Retiring Issuer, the Agent, (in the case of Registered Notes issued by Toyota Credit Canada Inc.) the TCCI Registrar and the TCCI Transfer Agent, (in the case of Registered Notes issued by Toyota Motor Credit Corporation) the TMCC Registrar and the TMCC Transfer Agent, or any other person, any indemnification or payment in respect of any tax consequence of any such substitution upon any person except to the extent already provided in Condition 7 and/or any undertaking given in addition thereto or in substitution therefor in the Substitution Documents in accordance with paragraph (c) above.

Upon execution of the Substitution Documents as referred to in paragraph (b) above, (i) the Substitute Issuer shall be the Issuer named in the relevant Notes and Coupons, the Agency Agreement and (in the case of Registered Notes issued by Toyota Credit Canada Inc.) the TCCI Note Agency Agreement and (in the case of Registered Notes issued by Toyota Motor Credit Corporation) the TMCC Note Agency Agreement as principal debtor in place of the Retiring Issuer and the relevant Notes and Coupons, the Agency Agreement and (in the case of Registered Notes issued by Toyota Credit Canada Inc.) the TCCI Note Agency Agreement and (in the case of Registered Notes issued by Toyota Motor Credit Corporation) the TMCC Note Agency Agreement, shall thereby be deemed to be amended to give effect to the substitution of the Substitute Issuer as principal debtor; and (ii) the Retiring Issuer shall be released as aforesaid from all of its obligations as principal debtor in respect of the relevant Notes and Coupons, the Agency Agreement and (in the case of Registered Notes issued by Toyota Credit Canada Inc.) the TCCI Note Agency Agreement and (in the case of Registered Notes issued by Toyota Motor Credit Corporation) the TMCC Note Agency Agreement. With effect on and from the time of the substitution of the Substitute Issuer in place of the Retiring Issuer:

- (A) the Retiring Issuer has no further obligations to any Noteholder or Couponholder in relation to the relevant Notes and Coupons;

The Substitution Documents shall be deposited with and held by the Agent and (in the case of Registered Notes issued by Toyota Credit Canada Inc.) copied to the TCCI Registrar and (in the case of Registered Notes issued by Toyota Motor Credit Corporation) copied to the TMCC Registrar, for so long as any of the relevant Notes remain outstanding and for so long as any claim made against the Substitute Issuer or the Retiring Issuer by any Noteholder or Couponholder in relation to the relevant Notes, Coupons, the Agency Agreement, or (in the case of Registered Notes issued by Toyota Credit Canada Inc.) the TCCI Note Agency Agreement or (in the case of Registered Notes issued by Toyota Motor Credit Corporation) the TMCC Note Agency Agreement, or the Substitution Documents shall not have been finally adjudicated, settled or discharged. The Substitute Issuer and the Retiring Issuer shall acknowledge in the Substitution Documents the right of every Noteholder to the production of the Substitution Documents for the enforcement of any of the relevant Notes, Coupons, the Agency Agreement, or (in the case of Registered Notes issued by Toyota Credit Canada Inc.) the TCCI Note Agency Agreement, or (in the case of Registered Notes issued by Toyota Motor Credit Corporation) the TMCC Note Agency Agreement, or the Substitution Documents.

Within 14 days of a substitution taking effect under this Condition 14, the Retiring Issuer shall give notice of such substitution to the relevant Noteholders in accordance with Condition 16.

## 15. Meetings, Modifications and Waivers

The Agency Agreement, the TCCI Note Agency Agreement and the TMCC Note Agency Agreement contain provisions which, unless otherwise provided in the Final Terms, are binding on the Issuer, the Noteholders and the Couponholders, for convening meetings (including wholly or partly by means of electronic facility or facilities (including video conference platforms or by conference call)), of holders of Notes and Coupons to consider matters affecting their interests, including the modification or waiver of the Terms and Conditions applicable to the Notes.

The Agency Agreement, (in the case of Registered Notes issued by Toyota Credit Canada Inc.) the TCCI Note Agency Agreement, (in the case of Registered Notes issued by Toyota Motor Credit Corporation) the TMCC Note Agency Agreement, the Notes and any Coupons attached to the Notes may be amended by the Issuer and (in the case of the Agency Agreement) the Agent and (in the case of the TCCI Note Agency Agreement) the TCCI Registrar and the TCCI Transfer Agent, and (in the case of the TMCC Note Agency Agreement) the TMCC Registrar and the TMCC Transfer Agent, without the consent of the holder of any Note or Coupon (i) for the purpose of curing any ambiguity, or for curing, correcting or supplementing any defective provision contained therein, or to evidence the succession of another corporation to the Issuer as provided in Condition 13 or provide for substitution of the Issuer as provided in Condition 14, (ii) to make any further modifications of the terms of the Agency Agreement, or (in the case of Registered Notes issued by Toyota Credit Canada Inc.) the TCCI Note Agency Agreement, or (in the case of Registered Notes issued by Toyota Motor Credit Corporation) the TMCC Note Agency Agreement, necessary or desirable to allow for the issuance of any additional Notes (which modifications shall not be materially adverse to holders of outstanding Notes), or (iii) in any manner which the Issuer and (in the case of the Agency Agreement) the Agent and (in the case of the TCCI Note Agency Agreement) the TCCI Registrar and the TCCI Transfer Agent and (in the case of the TMCC Note Agency Agreement) the TMCC Registrar and the TMCC Transfer Agent may deem necessary or desirable and which shall not materially adversely affect the interests of the holders of the Notes and Coupons. In addition, with the written consent of holders of a majority in aggregate nominal amount of the Notes then outstanding affected thereby, or by resolution adopted by the holders of a majority in aggregate nominal amount of Notes then outstanding present or represented at a meeting of the holders of the Notes affected thereby at which a quorum is present, as provided in the Agency Agreement (provided that such resolution shall be approved by the holders of not less than 25 per cent. of the aggregate nominal amount of Notes then outstanding affected thereby), the Issuer and the Agent and (in the case of the TCCI Note Agency Agreement) the TCCI Registrar and the TCCI Transfer Agent and (in the case of the TMCC Note Agency Agreement) the TMCC Registrar and the TMCC Transfer Agent may from time to time and at any time enter into agreements modifying or amending the Agency Agreement, or (in the case of Registered Notes issued by Toyota Credit Canada Inc.) the TCCI Note Agency Agreement, or (in the case of Registered Notes issued by Toyota Motor Credit Corporation) the TMCC Note Agency Agreement, or the Terms and Conditions and Coupons for the purpose of adding any provisions to or changing in any manner or eliminating any provisions of the Agency Agreement, or (in the case of Registered Notes issued by Toyota Credit Canada Inc.) the TCCI Note Agency Agreement, or (in the case of Registered Notes issued by Toyota Motor Credit Corporation) the TMCC Note Agency Agreement, or of modifying in any manner the rights of the holders of Notes and Coupons; provided, however, that no such agreement shall, without the consent or the affirmative vote of the holder of each Note affected thereby, (i) change the stated maturity of the principal of or any instalment of interest on any Note, (ii) reduce the nominal amount of or interest on any Note, (iii) change the obligation of the Issuer to pay Additional Amounts as provided in Condition 7, (iv) reduce the percentage in nominal amount of outstanding Notes the consent of the holders of which is necessary to modify or amend the Agency Agreement, or (in the case of Registered Notes issued by Toyota Credit Canada Inc.) the TCCI Note Agency Agreement, or (in the case of Registered Notes issued by Toyota Motor Credit Corporation) the TMCC Note Agency Agreement, or the Terms and Conditions or to waive any future compliance or past default, or (v) reduce the percentage in nominal amount of outstanding Notes the consent of the holders of which is required at any meeting of holders of Notes at which a

resolution is adopted. The quorum at any meeting called to adopt a resolution will be persons holding or representing a majority in aggregate nominal amount of the Notes then outstanding affected thereby and at any adjourned meeting will be one or more persons holding or representing 25 per cent. in aggregate nominal amount of such Notes then outstanding affected thereby. Any instrument given by or on behalf of any holder of a Note in connection with any consent to any such modification, amendment or waiver will be irrevocable once given and will be conclusive and binding on all subsequent holders of such Note. Any modifications, amendments or waivers to the Agency Agreement, or (in the case of Registered Notes issued by Toyota Credit Canada Inc.) to the TCCI Note Agency Agreement, or (in the case of Registered Notes issued by Toyota Motor Credit Corporation) to the TMCC Note Agency Agreement, or to the Terms and Conditions and Coupons will be conclusive and binding on all holders of Notes and Coupons, whether or not they have given such consent or were present at any meeting, and whether or not notation of such modifications, amendments or waivers is made upon the Notes and Coupons. It shall not be necessary for the consent of the holders of Notes under this Condition 15 to approve the particular form of any proposed amendment, but it shall be sufficient if such consent shall approve the substance thereof.

Notes authenticated and delivered after the execution of any amendment to the Agency Agreement, or (in the case of Registered Notes issued by Toyota Credit Canada Inc.) to the TCCI Note Agency Agreement, or (in the case of Registered Notes issued by Toyota Motor Credit Corporation) to the TMCC Note Agency Agreement, the Notes or Coupons may bear a notation in form approved by the Agent, or (in the case of Registered Notes issued by Toyota Credit Canada Inc.) the TCCI Registrar and the TCCI Transfer Agent, or (in the case of Registered Notes issued by Toyota Motor Credit Corporation) the TMCC Registrar and the TMCC Transfer Agent, as to any matter provided for in such amendment to the Agency Agreement or (in the case of Registered Notes issued by Toyota Credit Canada Inc.) to the TCCI Note Agency Agreement or (in the case of Registered Notes issued by Toyota Motor Credit Corporation) to the TMCC Note Agency Agreement.

New Notes so modified as to conform, in the opinion of the Agent or (in the case of Registered Notes issued by Toyota Credit Canada Inc.) the TCCI Registrar or (in the case of Registered Notes issued by Toyota Motor Credit Corporation) the TMCC Registrar and the Issuer, to any modification contained in any such amendment may be prepared by the Issuer, authenticated by the Agent or (in the case of Registered Notes issued by Toyota Credit Canada Inc.) the TCCI Registrar or the TCCI Transfer Agent or (in the case of Registered Notes issued by Toyota Motor Credit Corporation) the TMCC Registrar or the TMCC Transfer Agent and delivered in exchange for the Notes then outstanding.

For the purposes of this Condition 15, Condition 3 and Condition 9, the term “*outstanding*” means, in relation to the Notes, all Notes issued under the Agency Agreement or the TCCI Note Agency Agreement or the TMCC Note Agency Agreement other than (i) those which have been redeemed in full in accordance with the Agency Agreement or the TCCI Note Agency Agreement or the TMCC Note Agency Agreement or these Terms and Conditions, (ii) those in respect of which the date for redemption in accordance with these Terms and Conditions has occurred and the redemption moneys therefor (including all interest (if any) accrued but unpaid thereon to the date for such redemption and any interest (if any) payable under these Terms and Conditions after such date) have been duly paid to the Agent as provided in the Agency Agreement or (in the case of Registered Notes issued by Toyota Credit Canada Inc.) to the TCCI Registrar or the TCCI Transfer Agent or (in the case of Registered Notes issued by Toyota Motor Credit Corporation) to the TMCC Registrar or the TMCC Transfer Agent (and, where appropriate, notice has been given to the Noteholders in accordance with Condition 16) and remain available for payment against presentation of the Notes, (iii) those which have become void under Condition 8, (iv) those which have been purchased or otherwise acquired and cancelled as provided in Condition 6, and those which have been purchased or otherwise acquired and are being held by the Issuer for subsequent resale or reissuance as provided in Condition 6 during the time so held, (v) those mutilated or defaced Notes which have been surrendered in exchange for replacement Notes pursuant to

Condition 10, (vi) (for the purposes only of determining how many Notes are outstanding and without prejudice to their status for any other purpose) those Notes alleged to have been lost, stolen or destroyed and in respect of which replacement Notes have been issued pursuant to Condition 10, and (vii) temporary global Notes to the extent that they shall have been duly exchanged in whole for permanent global Notes or definitive Notes and permanent global Notes or global Registered Notes to the extent that they shall have been duly exchanged in whole for definitive Notes, in each case pursuant to their respective provisions.

## 16. Notices

All notices regarding the Notes shall be validly given if published in a leading English language daily newspaper of general circulation in London (which is expected to be the *Financial Times*) or, if this is not practicable, one other such English language newspaper as the Issuer, in consultation with the Agent, shall decide. The Issuer shall also ensure that notices are duly published in a manner which complies with the rules and regulations of any stock exchange on which the Notes are for the time being admitted to trading or are listed by another relevant authority. Any such notice published as aforesaid shall be deemed to have been given on the date of such publication or, if published more than once, on the date of the first such publication. Couponholders will be deemed for all purposes to have notice of the contents of any notice given to the holders of the Notes in accordance with this Condition 16.

Until such time as any definitive Notes are issued, so long as the global Note(s) is or are held in its or their entirety on behalf of Euroclear and Clearstream, Luxembourg or CDS Clearing and Depository Services Inc. (“CDS”), there may be substituted for such publication in such newspaper the delivery of the relevant notice to Euroclear and Clearstream, Luxembourg or CDS for communication by them or it to the holders of the Notes; provided that, for so long as any Notes are admitted to trading on a stock exchange or are listed by another relevant authority where the rules of that stock exchange or relevant authority so require, such notice will be published in a daily newspaper of general circulation in the place or places required by those rules. Any notice delivered to Euroclear and Clearstream, Luxembourg or CDS shall be deemed to have been given to the holders of the Notes on the day after such notice is delivered to Euroclear and Clearstream, Luxembourg or CDS.

Notices to holders of Registered Notes in definitive form will be deemed to be validly given if sent by mail to them (or, in the case of joint holders of Registered Notes issued by Toyota Credit Canada Inc., to the first-named in the TCCI Register or, in the case of joint holders of Registered Notes issued by Toyota Motor Credit Corporation, to the first-named in the TMCC Register) at their respective addresses as recorded in such register, and will be deemed to have been validly given on the fourth business day after the date of such mailing.

Notices to be given by any holder of the Notes shall be in writing and given by lodging the same, together with the relative Note or Notes, in the case of Bearer Notes, with the Agent or, in the case of Registered Notes issued by Toyota Credit Canada Inc., with the TCCI Registrar or, in the case of Registered Notes issued by Toyota Motor Credit Corporation, with the TMCC Registrar. While any of the Notes are represented by a global Note, such notice may be given by any holder of a Note to, in the case of Bearer Notes, the Agent or, in the case of Registered Notes issued by Toyota Credit Canada Inc., the TCCI Registrar or, in the case of Registered Notes issued by Toyota Motor Credit Corporation, the TMCC Registrar, via Euroclear and/or Clearstream, Luxembourg or CDS, as the case may be, in such manner as the Agent or TCCI Registrar or TMCC Registrar and Euroclear and/or Clearstream, Luxembourg or CDS, as the case may be, may approve for this purpose.

All notices regarding Notes admitted to trading on EuroTLX, shall be delivered to Borsa Italiana S.p.A. to be published in accordance with the rules of Borsa Italiana S.p.A. (if and for as long as the rules of the exchange so require), guidelines and market practice.

## **17. Further Issues**

The Issuer shall be at liberty from time to time without the consent of the Noteholders or Couponholders to create and issue further notes ranking *pari passu* in all respects (or in all respects save for the Issue Date, the amount and the date of the first payment of interest thereon and/or the Issue Price) and so that the same shall be consolidated and form a single series with the outstanding Notes and references in these Terms and Conditions to “Notes” shall be construed accordingly.

## **18. Disapplication**

The Notes confer no right under the Contracts (Rights of Third Parties) Act 1999 to enforce any term of the Notes, but this does not affect any right or remedy of a third party which exists or is available apart from that Act.

## **19. Governing Law and Submission to Jurisdiction**

The Agency Agreement, the TCCI Note Agency Agreement, the TMCC Note Agency Agreement, the Notes, the Coupons and any non-contractual obligations arising out of or in connection with the Agency Agreement, the TCCI Note Agency Agreement, the TMCC Note Agency Agreement, the Notes and the Coupons are governed by, and shall be construed in accordance with, English law.

The Issuer irrevocably agrees, for the exclusive benefit of the Noteholders and the Couponholders, to the jurisdiction of the English courts for all purposes in connection with the Agency Agreement, the TCCI Note Agency Agreement, the TMCC Note Agency Agreement, the Notes, the Coupons and any non-contractual obligations arising out of or in connection with the Agency Agreement, the TCCI Note Agency Agreement, the TMCC Note Agency Agreement, the Notes and the Coupons and in relation thereto the Issuer has appointed Toyota Financial Services (UK) PLC as its agent for service of process on its behalf and has agreed that in the event of Toyota Financial Services (UK) PLC ceasing so to act or ceasing to be registered in England, it will appoint another person as its agent for service of process. Without prejudice to the foregoing, to the extent allowed by law, the Issuer further irrevocably agrees that any suit, action or proceedings arising out of or in connection with the Agency Agreement, the TCCI Note Agency Agreement, the TMCC Note Agency Agreement the Notes and the Coupons (including any suit, action or proceedings relating to any non-contractual obligations arising out of or in connection with the Agency Agreement, the TCCI Note Agency Agreement, the TMCC Note Agency Agreement, the Notes and the Coupons) may be brought in any other court of competent jurisdiction.

References herein to the Conditions shall be to the Terms and Conditions of the Notes (the **Conditions**) as set out in Appendix A to the Agency Agreement (as defined below) as modified and supplemented by the information set out in Part A of the Final Terms relating to the Notes (which are attached hereto) and, in the event of any conflict between the provisions of the Conditions and the information set out in the Final Terms, the latter shall prevail. Words and expressions defined in the Conditions and the Final Terms and not otherwise defined herein shall have the same meanings when used in this Temporary Global Note.

This Temporary Global Note is issued subject to, and with the benefit of, the Conditions and the Agency Agreement dated 12 September 2014 (the **Agency Agreement**, which expression shall be construed as a reference to that agreement as the same may be amended, supplemented and/or restated from time to time), between Toyota Motor Finance (Netherlands) B.V., Toyota Credit Canada Inc., Toyota Finance Australia Limited, Toyota Motor Credit Corporation and The Bank of New York Mellon (the **Agent**); provided, however, that references to the Conditions shall mean the Conditions in effect on the date of this Temporary Global Note.

If the Final Terms indicate that this Temporary Global Note is intended to be a New Global Note, the nominal amount of Notes represented by this Temporary Global Note shall be the aggregate amount from time to time entered in the records of both Euroclear and Clearstream, Luxembourg (together, the **relevant Clearing Systems**). If the Final Terms indicate that this Temporary Global Note is not intended to be a New Global Note, the nominal amount of the Notes represented by this Temporary Global Note shall be the aggregate nominal amount stated in the Final Terms or, if lower, the nominal amount most recently entered by or on behalf of the Issuer in the relevant column in Schedule Two hereto.

On any redemption of, or payment of interest being made in respect of, or purchase and cancellation of, any of the Notes represented by this Temporary Global Note, the Issuer shall procure that:

- (i) if the Final Terms indicate that this Temporary Global Note is intended to be a New Global Note, details of such redemption, payment or purchase and cancellation (as the case may be) shall be entered pro rata in the records of the relevant Clearing Systems and, upon any such entry being made, the nominal amount of the Notes recorded in the records of the relevant Clearing Systems and represented by this Temporary Global Note shall be reduced by the aggregate nominal amount of the Notes so redeemed or purchased and cancelled; or
- (ii) if the Final Terms indicate that this Temporary Global Note is not intended to be a New Global Note, details of such redemption, payment or purchase and cancellation (as the case may be) shall be entered by or on behalf of the Issuer in Schedule Two hereto and the relevant space in Schedule Two hereto recording any such redemption, payment or purchase and cancellation (as the case may be) shall be signed by or on behalf of the Issuer. Upon any such redemption or purchase and cancellation, the nominal amount of this Temporary Global Note and the Notes represented by this Temporary Global Note shall be reduced by the aggregate nominal amount of such Notes so redeemed or purchased and cancelled.

Payments due in respect of Notes for the time being represented by this Temporary Global Note shall be made to the bearer of this Temporary Global Note and each payment so made will discharge the Issuer's obligations in respect thereof. Any failure to make the entries referred to above shall not affect such discharge.

<sup>6</sup>[For the purposes only of the Interest Act (Canada), in respect of Fixed Rate Notes the nominal yearly rate of interest which is equivalent to the Fixed Rate of Interest per annum, computed on the basis of a year of 360 days consisting of 12 months of 30 days each, for any period of less than one year may be calculated by multiplying the Fixed Rate of Interest by a fraction of which: (a) the numerator is the product of (i) the actual number of days in a year commencing on and including the first day of such period and ending on but not including the corresponding day in the next calendar year and (ii) the sum of (y) the product of 30 and the number of complete months elapsed in such period and (z) the number of days elapsed in any incomplete month in such period treating all calendar months as having 30 days; and (b) the denominator is the product of 360 and the actual number of days in such period (including the first but excluding the last, such day). For the purposes only of the Interest Act (Canada), in respect of Floating Rate Notes the nominal yearly rate of interest which is equivalent to the Rate of Interest per annum for any Specified Period (as defined in the Final Terms) calculated on the basis of a year of 365 or 360 days may be calculated by multiplying such Rate of Interest by a fraction of which the numerator is the actual number of days in a year commencing on and including the first day of such Specified Period and ending on but not including the corresponding day in the next calendar year and the denominator is 365 or 360, as the case may be.]

Prior to the Exchange Date (as defined below), all payments (if any) on this Temporary Global Note will only be made to the bearer hereof to the extent that there is presented to the Agent by a relevant Clearing System a certificate to the effect that it has received from or in respect of a person entitled to a particular nominal amount of the Notes (as shown by its records) a certificate of non-US beneficial ownership in the form required by it. On or after the Exchange Date the bearer of this Temporary Global Note will not be entitled to receive any payment of interest due unless, upon due certification, exchange of this Temporary Global Note is improperly withheld or refused.

On or after the date which is 40 days after the completion of the distribution of the Notes represented by this Temporary Global Note or, at the option of the Issuer (with the consent of the lead manager(s) of the Tranche(s) of Notes of the relevant Series) the date which is 40 days after the completion of the distribution of any additional issuance or issuances of one or more Tranches of Notes of the same Series that occurs within the 40 day period after the issue of this Temporary Global Note (the latest of such dates referred to as the **Exchange Date**), this Temporary Global Note may be exchanged in whole or in part (free of charge) for, as specified in the Final Terms, either (a) Definitive Bearer Notes and (if applicable) Coupons and Talons in or substantially in the forms set out in Appendices B-3, B-4 and B-5, respectively, to the Agency Agreement (on the basis that all appropriate details have been included on the face of such Definitive Bearer Notes and (if applicable) Coupons and Talons and the Final Terms (or the relevant provisions of the Final Terms) have either been endorsed on or attached to such Definitive Bearer Notes) or, (b) either (i) if the Final Terms indicate that this Temporary Global Note is intended to be a New Global Note, interests recorded in the records of the relevant Clearing Systems in a Permanent Global Note, or (ii) if the Final Terms indicate that this Temporary Global Note is not intended to be a New Global Note, a Permanent Global Note which, in either case, is in the form or substantially in the form set out in Appendix B-2 to the Agency Agreement (together with the Final Terms attached thereto) in each case upon notice being given to the Agent by the relevant Clearing System acting on the instructions of any holder of an interest in this Temporary Global Note.

The Issuer shall procure that, as appropriate, (i) the Definitive Bearer Notes or (as the case may be) the Permanent Global Note (where the Final Terms indicate that this Temporary Global Note is not intended to be a New Global Note) shall be so issued and delivered or (ii) the interests in the Permanent Global Note (where the Final Terms indicate that this Temporary Global Note is intended to be a New Global Note) shall be recorded in the records of the relevant Clearing System, in each case in exchange for only that portion of this Temporary Global Note in respect of which there shall have been presented to the Agent by a relevant Clearing System a certificate to the effect that it has received from or in respect of a person entitled to a beneficial interest in a particular nominal amount of the Notes (as shown by its records) a certificate of non-US beneficial ownership from such person in the form required by it and, in the case of Definitive Bearer Notes, subject to such notice period and payment of costs as may be specified in the Final Terms.

If Definitive Bearer Notes and (if applicable) Coupons and Talons have already been issued in exchange for all the Notes represented for the time being by the Permanent Global Note, then this Temporary Global Note may only thereafter be exchanged for Definitive Bearer Notes and (if applicable) Coupons and Talons pursuant to the terms hereof.

On an exchange of the whole of this Temporary Global Note, this Temporary Global Note shall be surrendered to or to the order of the Agent. On an exchange of part only of this Temporary Global Note, the Issuer shall procure that:

- (i) if the Final Terms indicate that this Temporary Global Note is intended to be a New Global Note, details of such exchange shall be entered pro rata in the records of the relevant Clearing Systems; or
- (ii) if the Final Terms indicate that this Temporary Global Note is not intended to be a New Global Note, details of such exchange shall be entered by or on behalf of the Issuer in Schedule Two hereto and the relevant space in Schedule Two hereto recording such exchange shall be signed by or on behalf of the Issuer whereupon the nominal amount of this Temporary Global Note and the Notes represented by this Temporary Global Note shall be reduced by the nominal amount so exchanged. If, following the issue of a Permanent Global Note in exchange for some of the Notes represented by this Temporary Global Note, further Notes represented by this Temporary Global Note are to be exchanged pursuant to this paragraph, such exchange may be effected, without the issue of a new Permanent Global Note, by the Issuer or its agent endorsing Schedule Two of the Permanent Global Note previously issued to reflect an increase in the aggregate nominal amount of the Permanent Global Note which would otherwise have been issued on such exchange.

Until the exchange of the whole of this Temporary Global Note as aforesaid, the bearer hereof shall in all respects (except as otherwise provided in this Temporary Global Note) be entitled to the same benefits as if it were bearer of Definitive Bearer Notes, and the relative Coupons and Talons in the form set out in Appendices B-3, B-4 and B-5, respectively, to the Agency Agreement.

Accordingly, except as ordered by a court of competent jurisdiction or as required by law or applicable regulation, the Issuer and any Paying Agent may deem and treat the bearer hereof as the absolute owner of this Temporary Global Note for all purposes (whether or not this Temporary Global Note shall be overdue and notwithstanding any notice of ownership or writing hereon or notice of any previous loss or theft or trust or other interest herein). In the event that this Temporary Global Note (or any part of it) has become due and repayable in

accordance with Condition 9 and payment in full of the amount due has not been made to the bearer in accordance with the provisions set out above then this Temporary Global Note will become void at 8.00 p.m. (London time) on such day and the bearer will have no further rights under this Temporary Global Note (but without prejudice to the rights which the bearer or any other person may have under Clause 31 of the Agency Agreement in respect of the Notes issued under the Programme Agreement pursuant to which this Temporary Global Note is issued).

This Temporary Global Note and any non-contractual obligations arising out of or in connection with it shall be governed by, and construed in accordance with, English law.

This Temporary Global Note shall not be valid unless authenticated by the Agent and, if the Final Terms indicate that this Temporary Global Note is intended to be a New Global Note (i) which is intended to be held in a manner which would allow Eurosystem eligibility, or (ii) in respect of which the Issuer has notified the Agent that effectuation is to be applicable, effectuated by the entity appointed as common safekeeper by the relevant Clearing Systems. This Temporary Global Note may be duly executed on behalf of the Issuer by manual or facsimile signature.

**IN WITNESS WHEREOF**, the Issuer has caused this Temporary Global Note to be duly executed on its behalf.

This Global Note is a Permanent Global Note in respect of a duly authorised issue of [Specified Currency and Nominal Amount of Tranche] [Specified Currency and Nominal Amount of Series] Notes Due [Year of Maturity] (the **Notes**) of [Specified Currency and Specified Denomination] each of <sup>5</sup>[Toyota Motor Finance (Netherlands) B.V.] [Toyota Credit Canada Inc.] [Toyota Finance Australia Limited] [Toyota Motor Credit Corporation] (the **Issuer**). References herein to the Conditions shall be to the Terms and Conditions of the Notes (the **Conditions**) as set out in Appendix A to the Agency Agreement (as defined below) as modified and supplemented by Part A of the Final Terms relating to the Notes (which are attached hereto) and, in the event of any conflict between the provisions of the Conditions and the information set out in the Final Terms, the latter shall prevail. Words and expressions defined in the Conditions and the Final Terms and not otherwise defined herein shall have the same meanings when used in this Permanent Global Note.

This Permanent Global Note is issued subject to, and with the benefit of, the Conditions and the Agency Agreement dated 12 September 2014 (the **Agency Agreement**, which expression shall be construed as a reference to that agreement as the same may be amended, supplemented and/or restated from time to time), between Toyota Motor Finance (Netherlands) B.V., Toyota Credit Canada Inc., Toyota Finance Australia Limited, Toyota Motor Credit Corporation and The Bank of New York Mellon (the **Agent**); provided, however, that references to the Conditions shall mean the Conditions in effect on the date of issue of the Temporary Global Note that originally represented this Permanent Global Note.

This Permanent Global Note is to be held by a common depository (or, if the Final Terms indicate that this Permanent Global Note is intended to be a New Global Note, a common safekeeper) for Euroclear Bank SA/NV (**Euroclear**), Clearstream Banking, *société anonyme* (**Clearstream, Luxembourg**) and/or such other relevant clearing agency as is specified in the Final Terms on behalf of account holders which have the Notes represented by this Permanent Global Note credited to their respective securities accounts therewith from time to time.

For value received, the Issuer, subject to and in accordance with the Conditions, promises to pay to the bearer hereof on the Maturity Date, and/or on such earlier date(s) as all or any of the Notes represented by this Permanent Global Note may become due and repayable in accordance with the Conditions, the amount payable under the Conditions in respect of the Notes then represented by this Permanent Global Note on each such date and to pay interest (if any) on the nominal amount of the Notes from time to time represented by this Permanent Global Note calculated and payable as provided in the Conditions together with any other sums payable under the Conditions, upon (if the Final Terms indicate that this Permanent Global Note is not intended to be a New Global Note) presentation and, at maturity, surrender of this Permanent Global Note to or to the order of the Agent at the principal office of the Agent in London, or at the offices of any of the other paying agents located outside of the United States of America, its territories and possessions, any State of the United States and the District of Columbia (except as provided in the Conditions) from time to time appointed by the Issuer in respect of the Notes, but in each case subject to the requirements as to certification provided herein. one year after such principal or interest shall have become due and payable (whether at maturity, upon call for redemption or otherwise) shall then be repaid to the Issuer and upon such repayment all liability of the Agent with respect thereto shall thereupon cease, without, however, limiting in any way any obligation the Issuer may have to pay the principal of or interest on this Permanent Global Note as the same shall become due.

If the Final Terms indicate that this Permanent Global Note is intended to be a New Global Note, the nominal amount of Notes represented by this Permanent Global Note shall be the aggregate amount from time to time entered in the records of both Euroclear and Clearstream, Luxembourg (together, the **relevant Clearing Systems**). The records of the relevant Clearing Systems (which expression in this Permanent Global Note means the records that each relevant Clearing System holds for its customers which reflect the amount of such customer's interest in the Notes) shall be conclusive evidence of the nominal amount of Notes represented by this Permanent Global Note and, for these purposes, a statement issued by a relevant Clearing System (which statement shall be made available to the bearer upon request) stating the nominal amount of Notes represented by this Permanent Global Note at any time shall be conclusive evidence of the records of the relevant Clearing System at that time.

If the Final Terms indicate that this Permanent Global Note is not intended to be a New Global Note, the nominal amount of the Notes represented by this Permanent Global Note shall be the aggregate nominal amount stated in the Final Terms or, if lower, the nominal amount most recently entered by or on behalf of the Issuer in the relevant column in Schedule Two hereto.

On any redemption of, or payment of interest being made in respect of, or purchase and cancellation of, any of the Notes represented by this Permanent Global Note, the Issuer shall procure that:

- (i) if the Final Terms indicate that this Permanent Global Note is intended to be a New Global Note, details of such redemption, payment or purchase and cancellation (as the case may be) shall be entered pro rata in the records of the relevant Clearing Systems and, upon any such entry being made, the nominal amount of the Notes recorded in the records of the relevant Clearing Systems and represented by this Permanent Global Note shall be reduced by the aggregate nominal amount of the Notes so redeemed or purchased and cancelled; or
- (ii) if the Final Terms indicate that this Permanent Global Note is not intended to be a New Global Note, details of such redemption, payment or purchase and cancellation (as the case may be) shall be entered by or on behalf of the Issuer in Schedule Two hereto and the relevant space in Schedule Two hereto recording any such redemption, payment or purchase and cancellation (as the case may be) shall be signed by or on behalf of the Issuer. Upon any such redemption or purchase and cancellation, the nominal amount of this Permanent Global Note and the Notes represented by this Permanent Global Note shall be reduced by the aggregate nominal amount of such Notes so redeemed or purchased and cancelled.

Payments due in respect of Notes for the time being represented by this Permanent Global Note shall be made to the bearer of this Permanent Global Note and each payment so made will discharge the Issuer's obligations in respect thereof. Any failure to make the entries referred to above shall not affect such discharge.

If the Notes represented by this Permanent Global Note were, on issue, represented by a Temporary Global Note then on any exchange of any such Temporary Global Note for this Permanent Global Note or any part of it, the Issuer shall procure that:

- (i) if the Final Terms indicate that this Permanent Global Note is intended to be a New Global Note, details of such exchange shall be entered in the records of the relevant Clearing Systems; or
- (ii) if the Final Terms indicate that this Permanent Global Note is not intended to be a New Global Note, details of such exchange shall be entered by or on behalf of the Issuer in Schedule Two hereto and the relevant space in Schedule Two hereto recording any such exchange shall be signed by or on behalf of the Issuer. Upon any such exchange, the nominal amount of this Permanent Global Note and the Notes represented by this Permanent Global Note shall be increased by the nominal amount of the Notes so exchanged.

In certain circumstances further notes may be issued which are intended on issue to be consolidated and form a single Series with the Notes. In such circumstances the Issuer shall procure that:

- (i) if the Final Terms indicate that this Permanent Global Note is intended to be a New Global Note, details of such further notes shall be entered in the records of the relevant Clearing Systems; or
- (ii) if the Final Terms indicate that this Permanent Global Note is not intended to be a New Global Note, details of such further notes shall be entered by or on behalf of the Issuer in Schedule Two and the relevant space in Schedule Two recording such further notes shall be signed by or on behalf of the Issuer, whereupon the nominal amount of this Permanent Global Note and the Notes represented by this Permanent Global Note shall be increased by the nominal amount of any such further notes so issued.

This Permanent Global Note may (under the circumstances set forth in the Conditions and the Final Terms) be exchanged, in whole, but not in part, for Definitive Bearer Notes and (if applicable) Coupons and Talons in or substantially in the forms set out in Appendices B-3, B-4 and B-5, respectively, of the Agency Agreement (on the basis that all appropriate details have been included on the face of such Definitive Bearer Notes and (if applicable) Coupons and Talons and the Final Terms (or the relevant provisions of the Final Terms) have been either endorsed on or attached to such Definitive Bearer Notes) in denominations of [Specified Currency and Specified Denomination] each upon either, as specified in the Final Terms:

- (a) upon not less than 60 days' written notice being given to the Agent by the relevant Clearing Systems acting on the instructions of any holder of an interest in this Permanent Global Note; or
- (b) only upon the occurrence of an Exchange Event; or
- (c) at any time at the request of the Issuer.

An **Exchange Event** means:

- (i) an Event of Default (as defined in Condition 9) has occurred and is continuing; or
- (ii) the Issuer has been notified that both Euroclear and Clearstream, Luxembourg (or any other agreed clearing system in which this Permanent Global Note is being held) have been closed for business for a continuous period of 14 days (other than by reason of holiday, statutory or otherwise) or have announced an intention permanently to cease business or have in fact done so and, as a result, Euroclear and Clearstream, Luxembourg or such other agreed clearing system in which this Permanent Global Note is being held are no longer willing or able to discharge properly their responsibilities with respect to this Permanent Global Note and the Agent and the Issuer are unable to locate a qualified successor; or
- (iii) the Issuer has or will become subject to adverse tax consequences which would not be suffered were the Notes represented by this Permanent Global Note in definitive form.

If this Permanent Global Note is exchangeable following the occurrence of an Exchange Event:

- (A) the Issuer will promptly give notice to Noteholders in accordance with Condition 16 if an Exchange Event occurs; and
- (B) in the event of the occurrence of any Exchange Event, one or more of the relevant Clearing Systems (acting on the instructions of any holder of an interest in this Permanent Global Note) may give notice to the Agent requesting exchange and, in the event of the occurrence of an Exchange Event as described in (iii) above, the Issuer may also give notice to the Agent requesting exchange. Any such exchange shall occur not later than 45 days after the date of receipt of the first relevant notice by the Agent.

The exchange, if any, will be made upon presentation of this Permanent Global Note by the bearer hereof on any day (other than a Saturday or a Sunday) on which banks are open for general business in London at the principal office of the Agent in London; provided, however, the first notice given to the Agent by Euroclear, Clearstream, Luxembourg and/or such other relevant clearing agency or the Issuer shall give rise to the issue of Definitive Bearer Notes for the total amount of Notes represented by this Permanent Global Note. The aggregate nominal amount of Definitive Bearer Notes issued upon an exchange of this Permanent Global Note will be equal to the aggregate nominal amount of this Permanent Global Note submitted by the bearer hereof for exchange (to the extent that such nominal amount does not exceed the aggregate nominal amount of this Permanent Global Note, as adjusted, as shown in Schedule Two hereto if the Final Terms indicate that this Permanent Global Note is not intended to be a New Global Note, or in the records of the relevant Clearing Systems if the applicable Final Terms indicate that this Permanent Global Note is intended to be a New Global Note). On an exchange of this Permanent Global Note, this Permanent Global Note shall be surrendered to or to the order of the Agent.

Until the exchange of the whole of this Permanent Global Note as aforesaid, the bearer hereof shall in all respects (except as otherwise provided in this Permanent Global Note) be entitled to the same benefits as if it were the bearer of Definitive Bearer Notes, and the relative Coupons and Talons in the form set out in Appendices B-3, B-4 and B-5, respectively, to the Agency Agreement.

Accordingly, except as ordered by a court of competent jurisdiction or as required by law or applicable regulation, the Issuer and any Paying Agent may deem and treat the bearer hereof as the absolute owner of this Permanent Global Note for all purposes (whether or not this Permanent Global Note shall be overdue and notwithstanding any notice of ownership or writing hereon or notice of any previous loss or theft or trust or other interest herein). In the event that this Permanent Global Note (or any part of it) has become due and repayable in accordance with Condition 9 and payment in full of the amount due has not been made to the bearer in accordance with the provisions set out above then this Permanent Global Note will become void at 8.00 p.m. (London time) on such day and the bearer will have no further rights under this Permanent Global Note (but without prejudice to the rights which the bearer or any other person may have under Clause 31 of the Agency Agreement in respect of the Notes issued under the Programme Agreement pursuant to which this Permanent Global Note is issued).

This Permanent Global Note and any non-contractual obligations arising out of or in connection with it shall be governed by, and construed in accordance with, English law.

This Permanent Global Note shall not be valid unless authenticated by the Agent and, if the Final Terms indicate that this Permanent Global Note is intended to be a New Global Note (i) which is intended to be held in a manner which would allow Eurosystem eligibility, or (ii) in respect of which the Issuer has notified the Agent that effectuation is to be applicable, effectuated by the entity appointed as common safekeeper by the relevant Clearing Systems. This Permanent Global Note may be duly executed on behalf of the Issuer by manual or facsimile signature.

#### **WHEREAS:**

A. The Issuer has entered into the Amended and Restated Programme Agreement with certain dealers and others dated 13 September 2024 under which the Issuer may issue Euro Medium Term Notes (**Notes**) with an aggregate nominal amount of up to €60,000,000,000 (or its equivalent in other currencies) outstanding at any time which remain outstanding.

B. The Notes will be issued subject to, and with the benefit of, an Amended and Restated Agency Agreement dated 13 September 2024 (the **Agency Agreement**, which expression shall be construed as a reference to that agreement as the same may be amended, supplemented and/or restated from time to time) between, *inter alia*, the Issuer and The Bank of New York Mellon, acting through its London branch (the **Agent**, which expression shall include its successor or successors for the time being under the Agency Agreement, and the **Paying Agent**, which expression shall include any additional or successor paying agent appointed under the Agency Agreement and **Paying Agent** shall mean any of the Agent or the Paying Agents so appointed).

**NOW IT IS HEREBY AGREED** that:

**(1) APPOINTMENT OF THE CALCULATION AGENT**

The Issuer hereby appoints [name of calculation agent] as Calculation Agent in respect of the Notes listed in the Schedule hereto which are for the time being outstanding (the **Relevant Notes**) for the purposes set out in Clause 2 below, all upon terms and conditions hereinafter mentioned. The agreement of the parties that this Agreement is to apply to each Series of Relevant Notes shall be evidenced by the manuscript annotation and signature in counterpart of the Schedule.

**(2) DUTIES OF CALCULATION AGENT**

The Calculation Agent shall in relation to each series of Relevant Notes (each a **Series**) perform all the functions and duties imposed on the Calculation Agent by the terms and conditions of the relevant Series (the **Conditions**). Without limiting the foregoing, the Calculation Agent shall calculate, to the extent applicable, the Rate of Interest, Interest Amount, Interest Payment Date, principal and all other amounts, rates and dates which are required to be determined or calculated under the Conditions for the Relevant Notes and shall communicate such calculations to the Issuer and the Agent as soon as practicable after such calculations are determined, but in any event, within time periods sufficient to enable the Agent to publish the results of such determinations in accordance with the terms of the Agency Agreement. In addition, the Calculation Agent agrees that it will provide a copy of all calculations made by it which affect the nominal amount outstanding of any Relevant Notes which are identified on the Schedule as being New Global Notes to the Agent to the contact details set out in the signature page hereof.

**(3) EXPENSES**

Except as provided in Clause 4 below, the Calculation Agent shall bear all expenses incurred by it in connection with its said services.

**(4) INDEMNITY**

(a) The Issuer shall indemnify and keep indemnified the Calculation Agent against any losses, liabilities, costs, claims, actions or demands (including, but not limited to, all reasonable costs, legal fees, charges and expenses paid or incurred by the Calculation Agent in disputing or defending any of the foregoing) which the Calculation Agent may incur or which may be made against it (excluding consequential losses and losses of profit) as a result of or in connection with its appointment or the exercise of its powers and duties under this Agreement except such as may result from its own wilful default, negligence or bad faith or that of its officers, directors or employees or any of them, or the breach by it of the terms of this Agreement.

(b) The Calculation Agent shall indemnify and keep indemnified the Issuer against any losses, liabilities, costs, claims, actions or demands (including, but not limited to, all reasonable costs, legal fees, charges and expenses paid or incurred by the Issuer in disputing or defending any of the foregoing) which the Issuer may incur or which may be made against it (excluding consequential losses and losses of profit) as a result of or in connection with the breach by the Calculation Agent of the terms of this Agreement or its

wilful default, negligence or bad faith or that of its officers, directors or employees or any of them.

**(5) CONDITIONS OF APPOINTMENT**

- (a) In acting hereunder in connection with the Relevant Notes, the Calculation Agent shall act solely as agent of the Issuer and shall not thereby assume any obligations towards or relationship of agency or trust for or with any of the owners or holders of the Relevant Notes or coupons (if any) appertaining thereto (the **Coupons**).
- (b) In relation to each Series, the Calculation Agent shall be obliged to perform such duties and only such duties as are herein and in the Conditions specifically set forth and no implied duties or obligations shall be read into this Agreement or the Conditions against the Calculation Agent other than the duty to act honestly and in good faith and to exercise the diligence of a reasonably prudent agent in comparable circumstances.
- (c) The Calculation Agent may consult with legal and other professional advisers and the opinion of such advisers shall be full and complete protection in respect of any action taken, omitted or suffered hereunder in good faith and in accordance with the opinion of such advisers.
- (d) The Calculation Agent shall be protected and shall incur no liability for or in respect of any action taken, omitted or suffered in reliance upon any instruction, request or order from the Issuer or the Agent, or any notice, resolution, direction, consent, certificate, affidavit, statement, cable or other paper or document which it reasonably believes, after making reasonable investigation of the same, to be genuine and to have been delivered, signed or sent by the proper party or parties or upon written instructions from the Issuer.
- (e) The Calculation Agent, and any of its officers, directors and employees, may become the owner of, or acquire any interest in, any Notes or Coupons (if any) with the same rights that it or he or she would have if the Calculation Agent were not appointed hereunder, and may engage or be interested in any financial or other transaction with the Issuer and may act on, or as depository, trustee or agent for, any committee or body of holders of Notes or Coupons (if any) or other obligations of the Issuer as freely as if the Calculation Agent were not appointed hereunder.

**(6) TERMINATION OF APPOINTMENT**

- (a) The Issuer may terminate the appointment of the Calculation Agent at any time by giving to the Calculation Agent and the Agent at least 90 days' prior written notice to that effect, provided that, so long as any of the Relevant Notes is outstanding, (i) such notice shall not expire less than 45 days before any date upon which any payment is due in respect of any Relevant Notes and (ii) notice shall be given in accordance with Condition 16 to the holders of the Relevant Notes at least 30 days prior to any removal of the Calculation Agent.
- (b) Notwithstanding the provisions of Subclause 6(a) above, if at any time (i) the Calculation Agent becomes incapable of action, or is adjudged bankrupt or

insolvent, or files a voluntary petition in bankruptcy or makes an assignment for the benefit of its creditors or consents to the appointment of an administrator, liquidator or administrative or other receiver of all or a substantial part of its property, or if an administrator, liquidator or administrative or other receiver of it or of all or a substantial part of its property is appointed, or it admits in writing its inability to pay or meet its debts as they may become due or suspends payment thereof or if any order of any court is entered approving any petition filed by or against it under the provisions of any applicable bankruptcy or insolvency law or if any public officer takes charge or control of the Calculation Agent or of its property or affairs for the purpose of rehabilitation, administration or liquidation or (ii) the Calculation Agent fails duly to perform any function or duty imposed on it by the Conditions and this Agreement, the Issuer may forthwith without notice terminate the appointment of the Calculation Agent, in which event notice thereof shall be given to the holders of the Relevant Notes in accordance with Condition 16 of the Relevant Notes as soon as practicable thereafter.

- (c) The termination of the appointment pursuant to Subclause 6(a) or 6(b) above of the Calculation Agent hereunder shall not entitle the Calculation Agent to any amount by way of compensation but will be without prejudice to any amount then accrued and due.
- (d) The Calculation Agent may resign its appointment hereunder at any time by giving to the Issuer and the Agent at least 90 days' prior written notice to that effect. Following receipt of a notice of resignation from the Calculation Agent, the Issuer shall promptly give notice thereof to the holders of the Relevant Notes in accordance with Condition 16 of the Relevant Notes.
- (e) Notwithstanding the provisions of Subclauses 6(a), 6(b) and 6(d) above, so long as any of the Relevant Notes is outstanding, the termination of the appointment of the Calculation Agent (whether by the Issuer or by the resignation of the Calculation Agent) shall not be effective unless upon the expiry of the relevant notice a successor Calculation Agent has been appointed. The Issuer agrees with the Calculation Agent that if, by the day falling 10 days before the expiry of any notice under Clause 6(d), the Issuer has not appointed a replacement Calculation Agent, the Calculation Agent shall be entitled, on behalf of the Issuer, to appoint as Calculation Agent in its place an investment bank which the Issuer shall approve (such approval not to be unnecessarily withheld).
- (f) Any successor Calculation Agent appointed hereunder shall execute and deliver to its predecessor and the Issuer an instrument accepting appointment hereunder, and thereupon such successor Calculation Agent, without further act, deed or conveyance, shall become vested with all the authority, rights, powers, trusts, immunities, duties and obligations of such predecessor with like effect as if originally named as the Calculation Agent hereunder.
- (g) If the appointment of the Calculation Agent hereunder is terminated (whether by the Issuer or by the resignation of the Calculation Agent), the Calculation Agent shall on the date on which such termination takes effect deliver to the successor Calculation Agent all records concerning the Relevant Notes maintained by it (except such documents and records as it is obliged by law

or regulation to retain or not to release), but shall have no other duties or responsibilities hereunder.

- (h) Any corporation into which the Calculation Agent for the time being may be merged or converted or any corporation with which the Calculation Agent may be consolidated or any corporation resulting from any merger, conversion or consolidation to which the Calculation Agent shall be a party shall, to the extent permitted by applicable law, be the successor Calculation Agent under this Agreement without the execution or filing of any paper or any further act on the part of any of the parties hereto. Written notice of any such merger, conversion or consolidation shall forthwith be given to the Issuer and the Agent by the Calculation Agent.
- (i) Upon the termination of the appointment of the Calculation Agent, the Issuer shall use all reasonable endeavours to appoint a further bank or investment bank as successor Calculation Agent.

**SCHEDULE OF RELEVANT NOTES**

<b>Series Number</b>	<b>Issue Date</b>	<b>Maturity Date</b>	<b>Title and Nominal Amount</b>	<b>New Global Note [Yes/No]</b>	<b>Annotation by Calculation Agent/the Issuer</b>

## APPENDIX D

### FORM OF THE NOTES

Each Tranche of Notes in bearer form will initially be issued in the form of a temporary global Note (a “*Temporary Global Note*”) which will:

- (i) if the global Notes are to be issued in new global note (“*NGN*”) form, as stated in the applicable Final Terms, be delivered on or prior to the original issue date of the Tranche to one of the international central securities depositaries as common safekeeper (the “*Common Safekeeper*”) for Euroclear Bank SA/NV (“*Euroclear*”) and Clearstream Banking S.A. (“*Clearstream, Luxembourg*”); and
- (ii) if the global Notes are not to be issued in *NGN* form, as stated in the applicable Final Terms, be delivered on or prior to the original issue date of the Tranche to a common depositary for Euroclear and Clearstream, Luxembourg and/or a nominee for any other relevant clearing system (as applicable),

without interest coupons or talons.

Notes (including Notes in registered form issued by TCCI or TMCC, as described below) may be issued in a form that permits them to be held in a manner which will allow Eurosystem eligibility. Any indication in the applicable Final Terms that the Notes are to be so held means that the Notes are to be deposited with the Common Safekeeper (and, in the case of Notes in registered form issued by TCCI or TMCC, registered in the name of a nominee of the Common Safekeeper) and does not necessarily mean that the Notes will be recognised as eligible collateral for Eurosystem monetary policy and intra-day credit operations by the Eurosystem either upon issue or at any or all times during their life as such recognition depends upon satisfaction of the Eurosystem eligibility criteria. Any indication in the applicable Final Terms that the Notes are not to be so held means that should the Eurosystem eligibility criteria be amended in the future such that the Notes are capable of meeting such criteria, the Notes may then be deposited with the Common Safekeeper (and in the case of Notes in registered form issued by TCCI or TMCC, registered in the name of a nominee of the Common Safekeeper) and does not necessarily mean that the Notes will be recognised as eligible collateral for Eurosystem monetary policy and intra-day credit operations by the Eurosystem at any time during their life as such recognition depends upon satisfaction of the Eurosystem eligibility criteria.

Where the global Notes issued in respect of any Tranche are in *NGN* form, Euroclear and/or Clearstream, Luxembourg will be notified whether such global Notes are intended to be held in a manner which would allow Eurosystem eligibility. If the global Note is a *NGN*, the nominal amount of the Notes represented by such global Notes will be the aggregate from time to time entered in the records of both Euroclear and Clearstream, Luxembourg. The records of Euroclear and Clearstream, Luxembourg (which expression in such global Note means the records that each of Euroclear and Clearstream, Luxembourg holds for its customers which reflect the amount of each such customer’s interest in the Notes) will be conclusive evidence of the nominal amount of Notes represented by such global Note and, for such purposes, a statement issued by Euroclear and/or Clearstream, Luxembourg, stating that the nominal amount of Notes represented by such global Note at any time will be conclusive evidence of the records of Euroclear and/or Clearstream, Luxembourg at that time, as the case may be.

While any Note is represented by a Temporary Global Note, payments of principal and interest (if any) due prior to the Exchange Date (as defined below) will be made (against presentation of the Temporary Global Note if the Temporary Global Note is not issued in *NGN* form) only upon certification of non-U.S. beneficial ownership as required by U.S. Treasury regulations to Euroclear and/or Clearstream, Luxembourg; provided, however, that no such

certification will be required with respect to Notes that, as specified in the applicable Final Terms (i) have been issued in reliance on the procedures under United States Treasury regulations Section 1.163-5(c)(2)(i)(C) (or any substantially similar successor United States Treasury regulations) (the “TEFRA C Rules”) or (ii) have an initial maturity of 183 days or less (taking into consideration unilateral rights to roll or extend), a minimum denomination of \$500,000 (or the equivalent value in any other currency, determined at the spot rate on the issue date) and are intended to comply with United States Treasury regulations Section 1.6049-5(b)(10).

Interests in the Temporary Global Note will be exchangeable (free of charge) either for:

- (i) interests in a permanent global Note (a “*Permanent Global Note*”) without interest coupons or talons; or
- (ii) for security-printed definitive Notes,

(as indicated in the applicable Final Terms), in each case against certification of non-U.S. beneficial ownership as required by U.S. Treasury regulations in accordance with the terms of the Temporary Global Note:

- (a) on and after the date which is 40 days after completion of the distribution of the relevant Tranche of Notes; or
- (b) at the option of the relevant Issuer (with the consent of the Lead Manager(s) of the Tranche(s) of Notes of the relevant Series) on the date which is 40 days after completion of the distribution of any additional issuance or issuances of one or more Tranches of Notes of the same Series that occurs within the 40 day period after the issue of the Temporary Global Note,

(the latest of such dates in paragraphs (a) and (b) is referred to as the “*Exchange Date*”),

provided that no such certification of non-U.S. beneficial ownership will be required with respect to Notes that, as specified in the applicable Final Terms (i) have been issued in compliance with the TEFRA C Rules or (ii) have an initial maturity of 183 days or less (taking into consideration unilateral rights to roll or extend), a minimum denomination of \$500,000 (or the equivalent value in any other currency, determined at the spot rate on the issue date) and are intended to comply with United States Treasury regulations Section 1.6049-5(b)(10).

The holder of a Temporary Global Note will not be entitled to collect any payment of interest or principal due on or after the Exchange Date unless, upon due certification, exchange of the Temporary Global Note for an interest in a Permanent Global Note or for definitive Notes is improperly withheld or refused. Pursuant to the Agency Agreement (as defined under “*Terms and Conditions of the Notes*”) the Agent shall arrange that, where a further Tranche of Notes is issued after the Exchange Date, the Notes of such further Tranche shall be assigned security code numbers by Euroclear and Clearstream, Luxembourg which are different from the security code numbers assigned to Notes of any other Tranche of the same Series until at least the expiry of the distribution compliance period (as defined in Regulation S under the Securities Act) applicable to the Notes of such Tranche.

The Permanent Global Note will, unless otherwise agreed between the relevant Issuer and the relevant Dealer, if the global Notes are issued in NGN form as stated in the applicable Final Terms, be delivered on or prior to the original issue date of the Tranche to the Common Safekeeper for Euroclear and Clearstream, Luxembourg. If the global Notes are not issued in NGN form, the Permanent Global Note will be delivered to the common depositary for Euroclear and Clearstream, Luxembourg.

Payments of principal and interest (if any) on a Permanent Global Note will be made through Euroclear and/or Clearstream, Luxembourg (against presentation or surrender (as the case may be) of the Permanent Global Note if the Permanent Global Note is not issued in NGN form) without any requirement for certification.

A Permanent Global Note will, if specified in the applicable Final Terms, be exchanged (free of charge) in whole, but not in part, for security printed definitive Notes with, where applicable, interest coupons and talons attached (i) at the request of the relevant Issuer; and/or (ii) upon the occurrence of an Exchange Event (as defined below).

For these purposes, “*Exchange Event*” means that (i) an Event of Default (as defined in Condition 9 under “*Terms and Conditions of the Notes*”) has occurred and is continuing; (ii) the relevant Issuer has been notified that both Euroclear and Clearstream, Luxembourg, or any other agreed clearing system in which such Permanent Global Note is being held, have been closed for business for a continuous period of 14 days (other than by reason of holiday, statutory or otherwise) or have announced an intention permanently to cease business or have in fact done so and, as a result, Euroclear and Clearstream, Luxembourg or such other agreed clearing system in which such Permanent Global Note is being held are no longer willing or able to discharge properly their responsibilities with respect to such Notes and the Agent and the relevant Issuer are unable to locate a qualified successor; or (iii) the relevant Issuer has or will become subject to adverse tax consequences as a result of a change in tax laws after the issuance of the Notes which would not be suffered were the Notes represented by the Permanent Global Note in definitive form.

The relevant Issuer will promptly give notice to Noteholders in accordance with Condition 16 under “*Terms and Conditions of the Notes*” if an Exchange Event occurs. In the event of the occurrence of an Exchange Event, Euroclear and/or Clearstream, Luxembourg and/or any other agreed clearing system in which such Permanent Global Note is being held (acting on the instructions of any holder of an interest in such Permanent Global Note) may give notice to the Agent requesting exchange and, in the event of the occurrence of an Exchange Event as described in (iii) above, the relevant Issuer may also give notice to the Agent requesting exchange. Any such exchange shall occur not later than 45 days after the date of receipt of the first relevant notice by the Agent.

If a portion of the Notes continues to be represented by the Temporary Global Note after the issuance of definitive Notes, the Temporary Global Note shall thereafter be exchangeable only for definitive Notes, subject to certification of non-U.S. beneficial ownership; provided, however, that no such certification of non-U.S. beneficial ownership will be required with respect to Notes that (i) are issued in reliance on the TEFRA C Rules or (ii) as specified in the applicable Final Terms, have an initial maturity of 183 days or less (taking into consideration unilateral rights to roll or extend), a minimum denomination of \$500,000 (or the equivalent value in any other currency, determined at the spot rate on the issue date) and are intended to comply with United States Treasury Regulations Section 1.6049-5(b)(10).

No definitive Note delivered in exchange for a Permanent Global Note or a Temporary Global Note shall be mailed or otherwise delivered to any locations in the United States of America in connection with such exchange. Temporary Global Notes and Permanent Global Notes and definitive Notes will be issued by the Agent pursuant to the Agency Agreement.

If specified in the applicable Final Terms, other clearance systems may be used in addition to or in lieu of Euroclear and Clearstream, Luxembourg provided that, in the case of an issue of Bearer Notes, such other clearance system is capable of complying with the certification requirements set forth in the Temporary Global Note or the Notes are issued in compliance with the TEFRA C Rules and any reference herein to Euroclear and/or Clearstream, Luxembourg shall, whenever the context so permits, except in relation to Notes issued in NGN form, be deemed to include such other additional or alternative clearing system.

Temporary Global Notes and Permanent Global Notes will be issued in bearer form only. Definitive Notes will be issued in bearer form or, in the case of Notes issued by TCCI or TMCC, if so indicated in the applicable Final Terms, in registered form.

For United States federal income tax purposes each Permanent Global Note and each definitive Note issued in bearer form which has an original maturity of more than 365 days (taking into consideration unilateral rights to roll or extend) issued by TMF, TCCI or TFA (other than Notes issued in compliance with the TEFRA C Rules) and any interest coupon which may be detached therefrom (or, if the obligation is evidenced by a book entry, appears in the book or record in which the book entry is made) will carry the following legend:

“Any United States person (as defined in the Internal Revenue Code of the United States) who holds this obligation will be subject to limitations under the United States income tax laws, including the limitations provided in Sections 165(j) and 1287(a) of the Internal Revenue Code.”

The sections referred to in such legend provide that United States Noteholders, with certain exceptions, will not be entitled to deduct any loss on Notes or interest coupons and will not be entitled to capital gains treatment of any gain on any sale, disposition or payment of principal in respect of Notes or interest coupons.

For United States federal tax purposes each Temporary Global Note, each Permanent Global Note and each definitive Note issued in bearer form which has an original maturity of 183 days or less (taking into consideration unilateral rights to roll or extend), a minimum denomination of \$500,000 (or the equivalent value in any other currency, determined at the spot rate on the issue date) and, as specified in the applicable Final Terms, is intended to comply with United States Treasury Regulations Section 1.6049-5(b)(10) and any interest coupon which may be detached therefrom (or, if the obligation is evidenced by a book entry, appears in the book or record in which the book entry is made) will carry the following legend:

“By accepting this obligation, the holder represents and warrants that it is not a United States person (other than an exempt recipient described in Section 6049(b)(4) of the Internal Revenue Code of the United States and the regulations thereunder) and that it is not acting for or on behalf of a United States person (other than an exempt recipient described in Section 6049(b)(4) of the Internal Revenue Code and the regulations thereunder).”

Unless Notes issued by TMF, TCCI or TFA in bearer form will be issued, as specified in the applicable Final Terms, in compliance with the TEFRA C Rules, Notes issued by TMF, TCCI or TFA in bearer form will be issued in compliance with United States Treasury Regulation Section 1.163-5(c)(2)(i)(D) (or any substantially similar successor United States Treasury regulations) (the “*D Rules*”) and Notes issued by TMCC with maturities at issuance of 183 days or less (taking into consideration unilateral rights to roll or extend) and in a face amount or nominal amount of not less than U.S.\$500,000 (as determined based on the spot rate on the date of issuance if such Notes are issued in a currency other than U.S. dollars) that, as specified in the applicable Final Terms, are intended to comply with United States Treasury Regulation Section 1.6049-5(b)(10), will be issued in compliance with the D Rules (excluding the certification requirement).

TMCC will not issue notes in bearer form with a maturity at issuance of more than 183 days (taking into consideration unilateral rights to roll or extend).

Notes may be issued in registered form (“*Registered Notes*”) by either TCCI or TMCC, subject to applicable laws and regulations. Each Tranche of Registered Notes issued by TCCI or TMCC will be represented on issue by a registered global Note (each a “*Registered Global Note*”) which will be (a) if the applicable Final Terms specify the Registered Notes are intended to held in a manner which would allow Eurosystem eligibility (being the new safekeeping structure (“*NSS*”)), deposited on the relevant Issue Date with the Common Safekeeper; or (b) if the applicable Final Terms specify the Registered Notes are not intended to be held in a manner which

would allow Eurosystem eligibility, deposited on the relevant Issue Date with a nominee or a depository or common depository for the agreed clearing system(s). Such Registered Global Note will not be exchangeable for Registered Notes in definitive form except on an Exchange Event (as that term is defined in the Registered Global Note). With respect to each Tranche of Registered Notes, TCCI has appointed, under an amended and restated note agency agreement dated 13 September 2024 (the “*TCCI Note Agency Agreement*”), and TMCC has appointed under a note agency agreement dated 13 September 2024 (the “*TMCC Note Agency Agreement*”), a registrar or registrars and a transfer agent and paying agent and may appoint other or additional transfer agents or paying agents, either generally or in respect of a particular Series of Registered Notes.

The applicable Final Terms will specify whether the Notes will be represented by:

- (i) a Temporary Global Note in bearer form without Coupons which will be deposited with a common depository or, as the case may be, a common safekeeper for Euroclear and Clearstream, Luxembourg on or about the Issue Date or a date as specified in the applicable Final Terms; and that the Temporary Global Note is exchangeable for a Permanent Global Note in bearer form on and after the Exchange Date and (except for Notes (x) with an initial maturity of 183 days or less (taking into consideration unilateral rights to roll or extend), a minimum denomination of \$500,000 (or its equivalent value in any other currency, determined at the spot rate on the Issue Date) and specified in the applicable Final Terms as intended to comply with United States Treasury Regulations Section 1.6049-5(b)(10) and (y) as specified in the applicable Final Terms, that have been issued in reliance on TEFRA C Rules) upon certification of non-U.S. beneficial ownership; or
- (ii) a Temporary Global Note in bearer form without Coupons which will be deposited with a common depository or, as the case may be, a common safekeeper for Euroclear and Clearstream, Luxembourg on or about the Issue Date or a date as specified in the applicable Final Terms; and that the Temporary Global Note is exchangeable for security printed definitive Notes on and after the Exchange Date and (except for Notes (x) with an initial maturity of 183 days or less (taking into consideration unilateral rights to roll or extend), a minimum denomination of \$500,000 (or its equivalent value in any other currency, determined at the spot rate on the Issue Date) and specified in the applicable Final Terms as intended to comply with United States Treasury Regulations Section 1.6049-5(b)(10) and (y) as specified in the applicable Final Terms, that have been issued in reliance on TEFRA C Rules) upon certification of non-U.S. beneficial ownership; or
- (iii) a Permanent Global Note in bearer form without Coupons which will be deposited with a common depository or, as the case may be, a common safekeeper for Euroclear and Clearstream, Luxembourg on or about the Issue Date or a date as specified in the applicable Final Terms; and that the Permanent Global Note is exchangeable (free of charge) in whole, but not in part, for security printed definitive Notes either (a) at the request of the relevant Issuer; and/or (b) upon the occurrence of an Exchange Event (as defined in the Permanent Global Note); or
- (iv) in the case of TCCI or TMCC only, a Registered Global Note registered in the name of a nominee for CDS Clearing and Depository Services Inc. (in the case of TCCI only) or a common depository for Euroclear and Clearstream, Luxembourg or a common safekeeper for Euroclear and Clearstream, Luxembourg or any other clearing system exchangeable (free of charge) for security printed definitive Notes only upon an Exchange Event (as defined in the Registered Global Note).

The exchange of a Permanent Global Note or a Registered Global Note for printed definitive Notes by Euroclear and/or Clearstream, Luxembourg (acting on the instructions of any Noteholder) or at any time at the request of the relevant Issuer should not be expressed to be applicable in the applicable Final Terms if the Notes are issued with a minimum Specified Denomination such as €100,000 (or its equivalent in another currency) plus one or more higher

multiples of another smaller amount such as €1,000 (or its equivalent in another currency). Furthermore, such Specified Denomination construction is not permitted in relation to any issue of Notes which is to be represented on issue by a Temporary Global Note exchangeable for printed definitive Notes.

Notes shall not be physically delivered in Belgium, except to a clearing system, a depository or other institution for the purpose of their immobilisation in accordance with Article 4 of the Belgian Law of 14 December 2005.

Each Issuer may agree with any Dealer that there may be a secondary distribution (“*Uridashi*”) of the Notes (“*Uridashi Notes*”) to be made in Japan in compliance with the terms of a securities registration statement, amendments thereto and supplemental documents that have been, or will be, filed by the relevant Issuer with the Director-General of the Kanto Local Finance Bureau of the Ministry of Finance of Japan with respect to such secondary distribution of Uridashi Notes in Japan and in accordance with the Financial Instruments and Exchange Law of Japan or under circumstances which will result in compliance with all applicable laws, regulations and guidelines promulgated by the relevant Japanese governmental and regulatory authorities in effect at the relevant time.

Each Issuer may agree with any Dealer that Notes may be issued in a form not contemplated by the terms and conditions of the Notes herein, in which case a new Prospectus will be made available which will describe the effect of the agreement reached in relation to such Notes.
