### WHAT YOUR AUTO INSURANCE MAY PAY

You might assume that your physical damage auto insurance is sufficient to cover any losses related to your vehicle.

However, when a vehicle is declared a total loss, the primary auto insurance settlement is generally based on the market value of the vehicle, which may be substantially less than the balance still owed on your finance or lease contract for the vehicle.<sup>3</sup> This difference is called the deficiency balance, which the vehicle owner is generally responsible for.

### ASK YOUR DEALER NOW

Ask your dealer about GAP offered by Toyota Financial Services now because it's only available from your dealer at the time you purchase or lease an eligible new or used vehicle. And, for your convenience, the cost of GAP can be added to your finance or lease contract and included as a portion of your monthly payments (subject to credit approval).<sup>4</sup> GAP is available in most states.

#### Exclusions

3. See your auto insurance policy for actual coverage in the event of a total loss.

#### Exclusions
