WHAT IS A VEHICLE SERVICE AGREEMENT (VSA)?
A VSA helps protect you from covered repair costs due to mechanical breakdown after your vehicle’s warranty expires. And we offer variable options to provide you the right level of protection, based on the mileage you drive and how long you plan to keep your vehicle.¹

TOYOTA EXTRA CARE VSA WILL HELP YOU:
• Be prepared and protected after your vehicle’s warranty expires
• Be protected against rising costs of labor and covered parts
• Ensure repairs are handled by a factory-trained service technician using only Toyota-approved parts
• Enjoy 24/7 Roadside Assistance
• Not worry about submitting claims because we pay the dealer directly
• Be able to transfer your Agreement to a private party — one time at no additional cost — potentially increasing the resale value

Simply put, a Toyota Extra Care VSA helps to ensure you and your vehicle are in good hands.
